CELEBRATING 20 YEARS

# PRESENTATION SCHOOL

LOVE LEARN LEAD

Dear ,

Welcome back. We hope you all had an incredible Easter Break with your families. THERE IS TOO MUCH HAPPENING in the last weeks of school, but it is all great. Please make special note of all the upcoming events in the last months of school.

We will be doing a hard press for everyone to support our efforts at the **2018 Golf Tournament, on April 30th at the Sonoma Golf Club**. If you can't play, there will be many more ways to take a swing for the kids at Presentation. Playing this course is a rare treat, so invite a friend or three.
It will be over the top fun - guaranteed.

The Golf Tournament will raise critical dollars for **FINANCIAL AID**, and will specially honor those families who have been with the school for 9 or more years and who are "graduating" from the school. **Sponsor, Donate, Make a Foursome, but do support us.**

This week, April 12th at 7pm, we are excited to host **Ana Homayoun**, who will share some necessary prospective and strategies for supporting our children in a 24/7 Digital World. Please come - this one hits home for all of us. Our Upper School students will hear Ana speak at Adele Harrison MS the same afternoon.

**Your kids raised well over $1,000 for Pets Lifeline!** Thank you for supporting your kids' efforts to match their talents with a critical need in our community. Thank you!

Come see Presentation School young artists on Display at the **Sonoma Valley Museum of Art**. Only one more week.

See you Monday April 9th,
