INFORMATION PACKET & PARENTAL OBLIGATION GUIDELINE

Thank you for your interest in Annunciation School.

The intent of this informational packet is to provide prospective families with an overview of our school, which was founded in 1956. Under the auspices of the Diocese of Stockton and the Cathedral of the Annunciation, the school is accredited by the Western Association of Schools and Colleges as well as the Western Catholic Education Association. Annunciation School is a Catholic parish school that adheres to our stated philosophy. Curriculum follows a combination of California State Standards and the Common Core State Standards with the expectation that our graduates will embody the Student Learning Expectations that also follow.

Within you will find excerpts from the *Annunciation Handbook* outlining some of the guidelines, procedures, and policies that will hopefully answer questions. If you wish to continue with the application process after reviewing this packet, please sign and return the obligation agreement to the school, along with your completed application and all supporting documentation.

We are often asked if interested parents may visit classrooms to observe teachers, but we respectfully decline such requests. As we receive many applications every year, we feel it would be too disruptive to our students to have a constant stream of visitors in the classrooms.

PARENT OBLIGATION AGREEMENT 2019-2020

The registration of a student at ANNUNCIATION SCHOOL is deemed to be an agreement by his/her parents or guardians to fully comply with all the policies, rules, and regulations of the school as outlined in the *Parent Handbook* for the current year and as revised or added to during the school year.

We, parents enrolled or wishing to become enrolled in Annunciation School, understand the above statement and have reviewed the current Parental Obligation Guidelines. We and our son(s) and/or daughter(s), agree to comply with all of the policies, rules, and regulations of the school, Sunday worship, standards for students, playground regulations, dress code, and all FINANCIAL and SERVICE OBLIGATIONS.

PHILOSOPHY

Cathedral of the Annunciation School strives to give expression to the educational mission of the Church entrusted to it by Jesus Christ. The mission is defined in *To Teach As Jesus Did*, a pastoral of American bishops. We concentrate on the effective integration of the sacred and the secular in our children. Enrolling a child in Annunciation School implies a willingness on the part of the parents to support, with their help and presence, any school activities that are undertaken toward these goals.

Annunciation School is a ministry of the Cathedral parish. As a Catholic Christian community, we have a personal commitment to Jesus Christ, and we make an earnest attempt to live out His teachings. Our school community can best celebrate its relationship with Christ and each other at the divine Eucharistic Sacrifice. “The liturgy is thus the outstanding means by which the faithful can express in their lives, and manifest to others, the mystery of Christ and the real nature of the true Church.” The Sunday liturgy is “the summit toward which the activity of the church is directed” and is “at the same time the fountain from which all power flows.” Therefore, it is expected that every Catholic parent and student will take seriously the obligation to worship the Lord on Sundays in fellowship as a community in our parish church.

The diverse talents of parents, teachers, clergy, and students are coordinated in such ways that the school becomes an extension of the family and the parish and is integrated into the larger community. Mindful of the fact that parents are the primary educators of their children, our focus is centered on challenging all students to develop spiritually, intellectually, socially, physically and emotionally. We also endeavor to instill in our students an appreciation of the aesthetic nature of the world our Lord created and to be responsible stewards of that world.

DISCIPLINARY PROCEDURES

Discipline in the Catholic School shall be considered an aspect of moral guidance and Christian Catholic development. The purpose of discipline is to promote respect for authority, self-discipline, and a Catholic environment in which the rights and responsibilities of students and teachers are recognized and upheld. Discipline is attained in a school or classroom when parents and students work cooperatively with an Administrator, the teachers, and their companions toward the attainment of class and school objectives. In order to be successful in our attempts to correct behavior problems, it is imperative that the student perceives that his/her parent(s) and/or guardian are working with school personnel to help him/her effect positive change.

There is evidence of constructive discipline when there is:

- a) acknowledgement of desirable conduct
- b) firm, kind treatment of all students
- c) positive correction of faults
- d) reasonable quiet and order in the building
- e) self-motivation for learning
- f) desire for self-discipline
- g) respect for authority
- h) avoidance of undue regimentation
- i) spontaneity and interest by the student
- j) acceptance of responsibility for one's behavior

FINANCIAL TERMS AND OBLIGATIONS

All tuition and fees are due and payable on the first day of school. Tuition collection is administered by Smart Tuition. As a courtesy, families may select between a 10 or 12 month payment plan (rather than paying in full in August).

Partial Tuition Assistance may be available by applying at www.Factsmgt.com.

FUNDRAISER AND SERVICE OBLIGATIONS

Service obligations to which parents agree when they enroll their child(ren) in Annunciation School are minimal as compared to other parochial schools. Our school budget is formulated based upon an income of \$70,000 from fundraising. Your participation in and support of these fundraising efforts are imperative in order for us to meet our budgeted revenues and for us to continue to provide a quality education at a reasonable tuition rate.

Each family will be responsible to participate in any fundraisers deemed mandatory by the Annunciation School Advisory Council. The three major fundraisers this year are the Fall Festival, The Big Raffle, and the Crab Feed. There are service hour commitments and raffle ticket requirements during the year. See graphic below for work hour details.

Any fundraiser designated as mandatory by ASAC shall warrant consequences for parents who fail to participate as required. These consequences include but are not limited to, the following:

- a service to the school to be determined by the ASAC. A typical consequence is doubled hours at the next fundraisers. (For example, if you do not complete your 8-hour Fall Festival commitment, you will be required to work 16 hours at a future event.)
- close scrutiny when reviewing for readmission to the school the following year.
- dismissal from school for repeated failure to participate

The above consequences may also apply if a family participates but is difficult or uncooperative, including being late for assigned shift(s). The chairs and committee members put in a tremendous amount of energy and effort for the benefit of everyone in the school. It is vitally important that all other parents work their hours diligently with positive attitudes.

- ❖ Every family must work the required hours.
- ❖ It is imperative that parent workers be on time for their shift(s).
- ❖ Required hours must be worked by parents only (or, under special circumstances, by adult relatives or friends.)
- ❖ Older students may not substitute.
- ❖ Assigned Hours may not be traded with another parent without the advance consent of the Work Hour Coordinator.
- ❖ Hours are non-negotiable and therefore may not be purchased or exchanged in lieu of donations.
- ❖ With the approval of the Event Chair(s), children under 18 may earn community service hours, in *addition* to the family service obligation worked by their parents.

The Fall Festival will be Saturday, October 12, 2019.
If you are aware of a scheduling conflict,
you will have until August 1st to contact the Development Office in writing.
