

North Hills Christian School 2020-2021 Family Volunteer Program

In an effort to enhance the educational experience for students and their families, North Hills Christian School is encouraging parents to be actively involved in the North Hills community. Research shows that parent involvement can help improve the quality of schools and their child's educational experience. Children of involved parents are more likely to feel that they're accepted, included, and respected at school. Our experience shows that we have talented and capable parents and would like to further tap into our community resources. The Family Volunteer requirement listed below is designed to engage parents in school operations and foster an increased sense of community.

- Each family registered at North Hills Christian School (K-12) is expected to participate and fulfill a minimum of 10 volunteer hours per year. Hours over and above are most certainly appreciated but not required to be tracked.
- It is the **parent's responsibility** to complete the Family Volunteer Report Form. The completed form with hours and appropriate staff signature must be submitted to the school **no later than May 4, 2020**. Volunteering after this date will **not** be able to count towards your 10 hours. (i.e. end of year field trips, international day will not count). **Late forms will not be accepted.**
- You will be notified of opportunities to volunteer as they become available. Volunteerism must be prearranged through the school sign-up procedure.
- *Only parents, guardians or grandparents of NHCS students may perform service hours for the family.*
- Certain volunteer responsibilities may require a background check.
- Volunteers during the school day must report to the office to sign-in and out and receive a volunteer ID badge to wear for security purposes.
- If you donate items, a **receipt must be attached** to this form to receive volunteer hours.
- Parents who are unable to fulfill their volunteer obligation may choose to opt out with a fee of \$200 per family per year.
- Parents will be charged at the rate of \$20 per unfulfilled hour. **This fee will be billed to your FACTS Tuition Management account at the end of May and is subject to all NHCS financial policies.**

This form can be found through ParentsWeb or in the School Office.
