

Chesterton Academy of St. Isidore

OPENING FALL 2020

A New Classical, Catholic High School

We are excited to announce the opening of a new Catholic, classical high school serving Yuba, Sutter, Colusa, and Butte counties. Chesterton Academy of St. Isidore will welcome students in the fall of 2020 at its first campus location at St. Isidore Catholic School in Yuba City.

Chesterton Academy will offer an integrated classical curriculum, robust spiritual and personal formation, and a strong emphasis on the fine arts. The academic program will help students to learn the skills of logical thought in both the arts and sciences, critical analysis of great works of literature, a deeper knowledge of faith, and clear and creative expression in writing and the arts. Students will experience the joy of Christ, grow in character, learn true leadership and develop critical thinking skills. The integrated classical curriculum will prepare students for college – and for life.

Initially, the Academy will begin with a 9th grade class, with the possibility of 10th grade if there is sufficient interest from prospective students. Its location in Yuba City will be as central as possible for all the communities of Northern Valley, with the hope to provide options for transportation. Tuition will be \$7,700 (\$6,900 for Parishioners) with opportunities for financial assistance.

The Chesterton Academy of St. Isidore will operate as an independent, non-profit organization cooperating with the Diocese of Sacramento with the blessing of Bishop Soto. The Diocese will offer its support to help establish and promote the school, will oversee its Catholic mission and theology curriculum, and will have representation on the school's governing board.
