

ASPIRE

After School Programs, Innovation, Recreation, and Enrichment

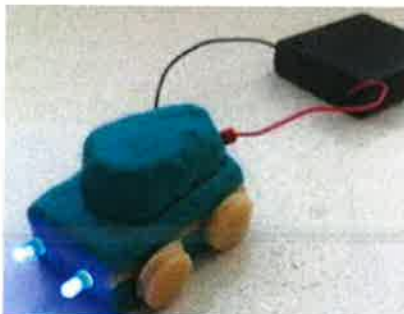

ASPIRE is an after school enrichment program to enhance students' after school hours. The Winter Program will run the weeks of Jan 28th, Feb 4th, Feb 11th, Feb 25th, March 4th and March 11th. **There are no classes the week of Feb 18th for Winter Break.** Each class is from 3:30-4:30. Register for classes at: <https://app.simplyafterschool.com/aspire>

Kid's Kitchen
Mondays
3:30 - 4:30
Mrs. Walthard
\$140, Grades 3-8

Hey! I can cook by myself! We will be learning recipes that you can make after school, or a Saturday morning by yourself. Healthy, fun, and delicious.

Maker's Monday
Mondays
3:30 - 4:30
Lon Edwards
\$200, Grades K-5

Join Lori Edwards (Toy Designer) in discovering all the ways that you can use circuits, motors and magnets to design your own creations. We will learn how to use LED lights to light up greeting cards, plush animals, accessories, and flashlights. We will also explore the world of magnets and create our own magnetic motors and creatures. Explore the sensory of hands on making by creating your own kinetic sand. This is a class where technology and science meet creative design. The possibilities are endless!

Crazy 8's Math
Tuesdays
3:30 - 4:30
Ms. Caselli
\$115, Grades K-2

Join the Crazy 8's Math Club where you'll build stuff, run and jump, make music, make a mess, and more! It's a totally fun, new kind of math club! All club activities will be new for returning students! You'll get to take home some cool gadgets, too! (Must have 12-16 students to participate in this Bedtime Math program).

Podcast Challenge
Tuesdays
3:30 - 4:30
Ms. Mueller
\$140, Grades 5-8

NPR Contest Challenge-
Students will record their own podcasts, discussing various topics, and enter into an NPR Podcast Challenge contest.

Sew What??
Wednesdays
3:30 - 4:30
Mrs. Hartnett
\$225, Grades 5-8

Are you ready to have some fun and experiment with your sewing skills? Bring your own sewing machine and I will provide the fabric, materials and thread. You can make scarves, purses, pillows, etc. Be thinking of what you want to make prior to signing up, so I can have the proper materials ready.

Pardon My Garden
Thursdays
3:30 - 4:30
Ms. Rentz
\$175, Grades K-8

Do you love gardening or want to give it a try? In this class you will start your very own mini-garden of flowers, herbs, or vegetables. After we plant our "starter garden", we'll complete some garden crafts like sun catchers/wind chimes, painted rocks, bird feeder, and stepping stones, etc. to spruce up your garden or outdoor space.

Fun with Phonics
Thursdays
3:30 - 4:30
Mrs. Clark
\$130, Grades 1-3

For students who want to develop reading skills. We will be reading early chapter books and working on a phonics skill each week such as letter team ph, silent e, r-controlled vowels, multisyllabic words and building fluency.

Photo Editing
Thursdays
3:30 - 4:30
Mr. & Mrs. Mitchell
\$125, Grades 5-8

Photo Editing is designed for 5th-6th grade students who want to learn how to take creative photos with their phones or their digital camera and edit them using an online editing program that is almost identical to Adobe Photoshop. We will learn about image layers and adjustments, work in color and black and white, and transform images into surreal pieces of art.
