LOVE LEARN LEAD

The Last day to register for golf is Wednesday, go onto our website and get your tickets today! This is the final fundraiser for the 2019 school year, and we so appreciate your participation.

Learn about this years Golf Fund a Need below. Campus Security Upgrades.

We are excited to see you this Thursday and Friday. Parent/Student Conferences are an essential part of our support for your children. This is the time specifically set aside for teacher and parents to meet. Reminder: Thursday is an early release day, please plan to collect your kids on time, so teachers can prepare for their meetings. There is no aftercare available on Thursday and Friday.

May 1st is the Crowning of Mary ceremony. Please remember this is a Dress Uniform Day.

Talent Show information will go home this week. The Talent Show is open to grades 1-8. Your child will be brining home a flyer with information about tryouts and rehearsal dates. The Talent Show will be on Friday, May 31st at 11am.

See you Monday,

May 1st- Napa Families- Transportation Meeting 8:30am

May 1st- Crowning of Mary Liturgy (Dress Uniform)

May 2nd- Conferences 12:30 Dismissal

May 3rd- Conferences No School

May 6th- Annual Golf Tournament

Just in time for spring cleaning!

This Monday-Thursday at drop off and pickup the PA will be collecting used uniforms in front of the school.

We will accept uniform items in good condition (no tears, rips, stains, tattered) that are in compliance with our uniform policy only.

This week is also the final call for lost and found. Please take a look at the collection behind the school office. Whatever items are left at the end of the week will be donated.

Thank you!

Golf Fund a Need

**This year's Golf Fund a Need will raise funds for
additional security measures on campus.**

These steps include:

**Installation of blackout blinds for classrooms
and activity center, as well as closed circuit
cameras for additional evening and weekend
campus security, and replacement of classroom
locks.**

**Help us to continue making Presentation school
healthy, safe and secure for kids and teachers.**

Important News to Share

It is with both sadness and joy that we are sharing the news that **Tracy Walthard**, 5th grade teacher, administrator, and proud parent of three Presentation graduates, has accepted an exciting and challenging position at **Springhill School** in Petaluma next year. Tracy's dogged commitment and personal dedication to our school is something to behold. Tracy has played an essential role in the growth and success of Presentation for over 16 years and her imprint is everywhere.

Fortunately, Tracy is not going far, as she will join the Springhill School as its next **Director of Enrollment and Marketing**. They are fortunate to have her experience and vision for schools, and we are blessed to have been such an important part of Tracy's professional journey.

We will begin our search for an Upper School homeroom teacher for next year, so please share any and all news of teaching openings widely within your own networks. The administrative obligations that Tracy held are being considered and we are in the process of discussing strategies to share her leadership duties among an also qualified staff. Please join me in congratulating and thanking Tracy for all she has given the school.

Congratulations Tracy!

Turn Markers

Into Energy!

Dear Parents,

I'm excited to tell you about a very special program I'm coordinating at our school in conjunction with Crayola. It's called Crayola ColorCycle - an amazing program devised to repurpose used markers rather than sending them to landfills!

The ColorCycle program has repurposed more than 70 tons of expended markers in the United States and Canada since 2013, and uses the most advanced plastic conversion technologies available today to make wax compounds for asphalt and roofing shingles as well as to generate electricity that can be used to heat homes, cook food, and power vehicles.

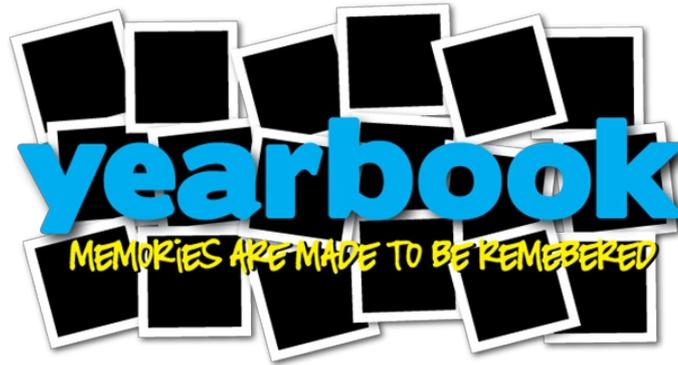

All around The Presentation School students and teachers will be collecting used markers that are ready to be discarded. Please help support our efforts by sending your kids in with any used markers you may have around the house- even non-Crayola brands! Highlighters and dry erase markers can also be included. Drop-off boxes will be located around the school for your child to deposit the markers.

Thank you in advance for participating! With the help of parents like you across the country, the Crayola ColorCycle program can continue to keep tons of plastic out of landfills each year.

Remember, don't throw out that used marker-*ColorCycle it!*

Sincerely,

Marci Alley

PLAY HARD. HAVE FUN.

We would consider it a privilege to work with your son or daughter this Summer at one of our Camps. In partnership with the Presentation School, the National Academy of Athletics staff uses inspiration, motivation & perspiration to help boys and girls to have a great time as they gain new sports, life skills while making lasting friendships. There is no better teaching tool than team sports. The experienced, positive and passionate staff have been hand selected to help kids enjoy learning how to become more successful both on and off the field or court.

Whether they want to improve their skills or just compete, we have something that will motivate, educate and challenge everyone! You can feel good sending your kids to a summer sports camp that's in a fun and safe environment with a motivating and positive coaching staff.
