

LOVE LEARN LEAD

Dear Presentation Parents

Well, it looks like summer will in fact end, again. With that reality in mind, we hope you read this first Enews of the year with real excitement for your kids, who will soon be immersed with friends and teachers, and books and art, and healthy athletic competition - and lots of unknown challenges to their minds and hearts. **We can't wait!**

We have been busy here all summer, and that will only increase, so **Please Take 10 Minutes** to read this update. Enews will continue to be sent each week, Sunday at 7pm. The Enews and Weekly Newsletters will continue to be the best and most accurate way to know what is happening.

As shared earlier, we are excited to begin the year with a new leadership structure, and to discovering new ways to do the school's work together. **Presentation's leadership team** consists of Upper and Lower School Curriculum Directors and Upper and Lower School Social/Emotional Learning Directors, alongside the Asst. Head and Head of School.

Leadership's first task was to create a brief survey to learn more about perceived strengths and weaknesses of our academic curriculum and perceptions of personal and academic support available to our students. **Please do take a few minutes to complete this survey.** Information from this survey will be shared at the Opening

Coffee and will be used to set goals for the year. The survey will also be sent via Beehively.

Presentation School Curriculum and SEL Survey.

The summer also gave us an opportunity to learn **a lot** about the intricacies and regulatory realities of a school bus - not to mention the nation-wide deficit of bus drivers. For many good reasons, commissioning a school bus (which we also learned must be a "yellow bus") is a slower process than we thought.

While we take the necessary steps to make sure we do everything correctly and legally, we are excited to provide an innovative, next-step solution for our Napa and Petaluma families. For at least the first semester, we are partnering with [**Zum**](#) to give our families an option for school transportation.

We will share more about this service with our Napa/Petaluma families this week. This trial service will also allow us to understand and track things like average ridership, price-sensitivity and committed interest in school transportation, before deciding on the best solution for the school.

Lastly, we sure would love to see you next Saturday for a couple of hours, or just one. Our lovely little school gets a little dusty over the summer and we would so appreciate your help sprucing it up. The Parent Association will run the Used Uniform Sale that same time. See Below for details.

We look forward to seeing everyone back soon. Enjoy the last days of summer together.

Students at The Presentation School are presented with an academically challenging and engaging curriculum. Our passionate teachers craft and deliver meaningful and rigorous lessons which incorporate project/problem-based learning and are enhanced by the integration of technology to create an enriching classroom experience. Teachers have the academic freedom to adjust instruction to tap into the students' curiosity while ensuring benchmarks and school standards are being met. When visiting classrooms you will find students can explain what they are learning and why they are learning it. Students are as passionate about their learning as their teachers.

This year we are excited to dive into our curriculum for an audit of our current program, assessment of our instruction practices, reviewing textbooks, and responding to questions.

SOCIAL
EMOTIONAL
LEARNING

At Presentation School we consider the social-emotional well being of a child to be directly related to their academic progress and success. Therefore, we build certain practices and skills into our curriculum to ensure that our students are equipped with strategies to help them cope with everyday situations. Some of these practices include meditation, mindfulness, self-reflections, discussions, journaling, and conflict resolution. We feel it is important to not only equip our students with skills for both today and their future, but we hope to motivate them to have a passion to become lifelong learners.

This year, we will continue to develop and define our social emotional curriculum across all disciplines and grade levels. We will help to guide our faculty and staff through their own learning while implementing a more robust program on campus.

**The work around curriculum and social emotional learning is lead
by the leadership team**
