

CELEBRATING 20 YEARS

PRESENTATION SCHOOL

LOVE LEARN LEAD

The 2017-2018 school year is one for the books. I would like to personally congratulate all of the kids for a incredible year, and to thank their parents and teachers for *your* part in making this school one-of-a-kind.

To the class of 2018, we could not have asked for a better example of leadership. To the class of 2019, we are thrilled to see you in the lead next year and look forward to seeing what your imprint will look like.

To the new families joining Presentation, we are excited to get to know you and hope you have a great summer. We will be in touch by email in late June

to make sure you have your questions answered first.

Some classes have already shared recommendations for "Summer Work," but look for a comprehensive list of summer assignments/ideas/books, etc. later this week, (via Beehively, and Enews).

The summer mailing (via beehively and Enews) **will sent in early July.** The office will be open in the mornings during the summer, but will close the last two weeks in July. The only thing you want to pay attention to for now is ordering school uniforms, and we take care of the school supplies. You dress them, we'll do the rest.

We are excited to welcome the [Transcendence Theater Company](#) to Presentation this summer. Transcendence will rehearse all summer for their [Broadway Under the Stars](#) performances.

See you in August!
