

ASPIRE

After School Programs, Innovation, Recreation, and Enrichment

ASPIRE is an after school enrichment program to enhance students' after school hours. The Fall Program will run 8-weeks beginning the week of Sept 10th and going through the week of Oct 29th. Each class is from 3:30-4:30. Register for classes at: <https://app.simplyafterschool.com/aspire>

Makers Monday
Mondays
3:30 - 4:30
Lori Edwards
\$315, Grades K-8

Makers courses give students the freedom to create using multiple mediums and hands on tools. They will be directed by a toy designer to create a Halloween theme escape room filled with hand made decor and creative themes. The last class will be a performance of their creative endeavors for family and friends. Costumes and themes are Halloween themes so please make sure students are ok with scary themes.

Crazy 8's Math
Tuesdays
3:30 - 4:30
Ms. Caselli
\$115, Grades K-2

Join the Crazy 8s Math Club where you'll build stuff, run and jump, make music, make a mess, and more! It's a totally fun, new kind of math club! Make mischief and memories with activities like Glow-in-the-Dark Geometry, Bouncy Dice, and Toilet Paper Olympics! You'll get to take home some cool gadgets, too!

Clay Play
Tuesdays
3:30 - 4:30
Ms, Emma
\$225, Grades 3-8

Experiment with different kinds of clay to make unique creations! Create small dishes out of air dry clay to hold your treasures, or use polymer clay to sculpt small magnets, beads and hair accessories, if you think of it, we can clay-craft it!

Mad Scientist Camp
Wednesdays
3:30 - 4:30
Professor Kushner
\$315, Grades 2-8

This hands on science class will be a great way for science loving kids to learn through doing. We will do different experiments each week, and on most days we'll have several to do. Whether we are building and launching rockets, making our own ice cream, or experimenting with microscopes, this science class will be incredibly fun for all.

Quadruple P Art
Thursdays
3:30 - 4:30
Mrs. Clark
\$225, Grades K-4

We will study a given artist and style each week. Then create our own piece d'oeuvre using: Pastels (chalk and oil), prisma color, pointillism and paint.
