## SHADOW DAYS

For the student only, an SPSV Shadow Day is intended to supplement Open House, 8th grade visits, and campus tours. A Shadow Day is an opportunity to experience a typical student's day at SPSV, including time in the classroom. Each student will accompany a current freshman—attending classes, meeting teachers and students, and having lunch, which we provide in our cafeteria. Attending from 9:00am through 12:45pm, your student will go to two or three classes and half of lunch period.

To schedule a Shadow Day, please contact [p.delgado@spsv.org](mailto:p.delgado@spsv.org) or 707.644.4425, x435.
