

RE : JSS COMMUNITY GARDEN

Hello Everyone, WELCOME !

I hope this note finds you well.

My name is Monica Lal, and I am involved with the Garden Club at JSS. Our primary goal is to offer support to our teachers in conjunction with the room parents for the individual garden plots allotted to each class.

We also offer our support to our principal, Mr. Stewart, with small projects around the school and have a goal of effectively planting drought tolerant plants in our garden and lunch area in the 2016-2017 school year.

This will be our second full year and we would appreciate any and all support in our endeavor. We would like to meet on a monthly basis on weekends, but may meet on an occasional Wednesday or Friday afternoon. An hour or two here and there are always helpful as well. Kids are welcome and encouraged to participate!
