Sixth Sunday of Easter — May 21, 2017

"I will ask the Father, and he will give you . . . the Spirit of truth."
— John 14:16-17

Sometimes as Easter continues on, we forget that it is still Easter. Our psalm reminds us that not only is it still Easter, we still have reason to sing and praise God with joy, “Let all the earth cry out to God with joy.” Even the bees and the flowers in spring are proclaiming the beauty and glory of God. The readings today are all about how we are not alone, we have been given the Holy Spirit as guide and inspiration in living out our lives as Christians. We are deeply loved and have the Spirit always with us. How has the Spirit made a difference in your life?
TODAY'S READINGS

First Reading — The people of Samaria accepted the word of God preached by Philip; they received the Holy Spirit (Acts 8:5-8, 14-17).

Psalm — Let all the earth cry out to God with joy (Psalm 66).

Second Reading — Act with gentleness and reverence toward all, so that when you are maligned those who defame you will be the ones put to shame (1 Peter 3:15-18) or 1 Peter 4:13-16.

Gospel — I will not leave you orphans, but will come to you (John 14:15-21) or John 17:1-11a.

One Faith, One Family!

We are getting closer to the start of work on Crespi. Thank you to all of you that have contributed and supported the AMA appeal this year. Many people have been surprised to learn this is or parish’s only annual appeal. We have no golf tournaments, no auctions, no formal fund raising dinner dances, This is the only time we ask everyone to provide direct help to a parish project. For example, all Fiesta proceeds go directly to the school.

The main focus of the Crespi Parish Hall renovations is to create a new office area so our ministries can conduct meetings in privacy. Many of our ministries will directly benefit from this new area. Also, the bathrooms and kitchen will be upgraded and a new welcoming entrance created. We know you all will be proud of the Parish Hall once renovations are completed!

Please prayerfully consider making a donation today. Our goal is to have 100% participation from our parish community and we need everyone’s help to make our goal. We understand that resources are limited, but any amount would be greatly appreciated. You can donate using the envelopes in the pew or online at www.dioceseofmonterey.org/ama. Your gift can be a one-time donation or a gift donated in eight monthly installments. For instance, a gift of $200 would be $25/month payable over eight months. Please call the Mission Office if you have any questions.

Thank you again for all you have done to help us reach our goal!

“But to all of you, especially those who can do more and give more, I ask: Please, do more! Please, give more! When you give of your time, your talents and your resources to the many people who struggle and who live on the margins, you make a difference.”

Pope Francis

Thank You for your Stewardship!

Your continued generosity for the week ending 5/14/2017

Plate Collections: $ 12,114.07

Gregorian Chant –
Not Just for Monasteries, and
Not Just in Ages Past

Wednesday, May 31st, 7:00 PM
London Bridge Pub, 256 Figueroa Street
(at the foot of Wharf 2), Monterey

Our speaker this month will be Dennis Lucey, leading a discussion on Gregorian chant and its influence on the modern Church. The Church enjoys a rich tradition of song in our liturgies. One of the best-known and most loved styles is Gregorian chant, which has been used for centuries to sing praise and prayers to God. It has an enormous variety of forms from very simple to very elaborate, and most is music set to words of Scripture.

The history of Chant has played an enormous role in the development of the Western Rites Liturgy: not only in its early history, but more recently in the growth of the Liturgical movement that prepared the way for the renewal in the Second Vatican Council.

Dennis holds an MA in Theology from Catholic University of Louvain. He began studying Chant at age 7, and learned much more in his six years of study under one of the best teachers of our time, Fr. John Olivier. In addition to praying with this music, he has composed settings in English and Spanish using plainchant style, (especially for Grace Cathedral in SF), led small groups in parishes and presented at larger gatherings such as Youth Conventions.

Let’s talk about what we believe!
We may even sing a few chants!

Join us to enjoy the discussion along with food, drinks, and friends!

We hope to see you there!
Dear Parishioners,

The traditions established and celebrated by the Junípero Serra School Community during the past seventy-one years, define the legacy of JSS, and will continue to inspire and confer upon our students the importance of a faith-centered life. Catholic Education demands that we study Catholic Theology and apply it to our lives and it is defined on a daily basis at Junípero Serra School. I share with you just some of the highlights experienced by JSS students and myself during this school year.

For example, Catholic education at JSS is:

· The privilege of praying together every morning
· The joy and challenge of learning through a relevant and engaging curriculum
· The joy of celebrating the Eucharist by giving thanks to God at our school Masses
· The privilege of being a 6th grade student and taking the hand of a kindergarten student and walking with them to Mass.
· Teaching our students that a fund raiser here at JSS does feed hungry children
· Sharing compassion and community outreach by providing tents for the homeless
· Performing with your classmates in a Christmas Program
· Praying during the Stations of the Cross to understand the Passion of Christ
· Experiencing the joys of friendship and teamwork through field trips, athletics, and the classroom
· Teaching our students to learn that the greatest gift we can give our children is an education, an education that inspires them to live in faith

Quoting from the Reverend John Jenkins, President of Notre Dame University, he states “the challenge of wrapping together our faith-based heritage while further strengthening our academic excellence is a rare opportunity and for me a special dream.” I offer to everyone that Father Jenkins’ words define the essence of Catholic Education here at JSS, for both our children and for us as adults. As a parish and school community, we share in the educational experience and we co-create the teaching and learning for our children that instills the power of prayer, our belief in God and the Holy Spirit, and that the Gospel of Jesus Christ, of love and forgiveness is at the heart of everything we do at school, at home, and at work.

Through visionary leadership within the community, and a commitment to our core values, Junípero Serra School will continue to provide academic excellence in a Christ-centered environment for another seventy-one years. We are called by God to embrace hope. We are called by God to celebrate the unlimited potential in ourselves, and most importantly to inspire hope, and to rejoice in the unlimited potential within each and every child. We are blessed by our partnership with the Carmel Mission Basilica Parish to educate our students so that tomorrow’s leaders will be defined by their academic wisdom, compassion, and spiritual integrity.

Sincerely,

Bruce Stewart
