“To show great love for God and our  
neighbors,  
it is how much love we put in the  
doing that makes our offering  
something beautiful.”

Mother Teresa

## Notre Dame Golf Tournament

This annual golf tournament will be held to assist the outgoing 8th grade class in giving back to the school and community that they have been a part of for many years.

Each year the graduating class chooses a project that will help enhance the school that they are saying goodbye to. These projects are a way for the teens to say thank you and also for them to be remembered in the years to come. The class of 2018 donated concrete picnic tables.

This philanthropic attitude is one that is instilled in Notre Dame students from their first days upon entering the school. We hope that their giving spirit can be shared with you. All proceeds of this event will go towards the 8th grade service project as well as other service projects done by the PTO.

We are asking for donations and sponsorships of a hole during our fundraiser at Canyon Oaks Country Club. As a donor your company's name will be listed as a sponsor and be given proper exposure during our golf tournament.

Thank you for giving our students the opportunity to continue giving their gifts to those around them.
