We Exist To Bring The Catholic Faith To Life

Messenger

April 2019

Principal's Message

"And behold, He makes all things new."

Springtime, the season of beginning anew, is upon us again. Weren't we just preparing for the wintertime? The trees are greening, daffodils are on their second blooming... and your other bulbs should soon be coloring your yards; lawns need mowing, the wind and the rain have cleaned the air for our breathing; children's voices are heard now in the yards of our neighborhoods and the sun feels splendid on our backs.

*In the Northern Hemisphere, spring officially began a week ago with the vernal equinox. The word equinox derives from the Latin words *aequus* (equal) and *nox* (night) and for the next six months daylight will tick more minutes off the clock than darkness.*

So the Sun...and the Sun...shine upon us. And on Sunday, April 21st the Christ will rise again and we will shout...Alleluia.

*The Peace of Christ be with you,
Ms. Suzanne Smoley*

We are St. Rose School

Mission

St. Rose of Lima Catholic School develops leaders. We recognize each person who enters our school as a unique gift from God, intent on learning. As a community of faith, we grow spiritually, academically, socially, and physically, prepared to live as Disciples of Jesus. Together, we promote Gospel Values and strive to bring the Catholic Faith to life.

Philosophy

With the message of Jesus Christ always as our foundation, we the faculty and staff of St. Rose School strive to develop the whole child. We endeavor to instill Catholic values which will foster human formation and integrate faith, culture, and life. Recognizing the parent as the primary educator, we - parents, faculty, staff and the faith community - seek together to create an atmosphere in which each child may develop to his or her full potential.

School Wide Learning Expectations

St. Rose School Students Are...LEADERS

Life-long learners - We are self-motivated and take initiative in critical thinking when problem solving.

Effective Communicators - We can resolve differences and build trust and respect.

Active Catholics - We celebrate the beliefs and traditions of the Catholic Church through prayer, study, and faith experiences.

Disciples of Christ - We live the Gospel Values in thought, word, and deed.

Empathetic - We respect and appreciate the differences and gifts of all God's creatures.

Responsible - We make choices for our spiritual, academic, social, and physical health, and willingly accept the impact of our decisions and actions upon ourselves and others.

Self-Confident - We journey with God to discover, accept, and use our gifts.

Help Needed-Welcome to New Families We are excited to welcome several new families to St. Rose School next year and we need your help! Last year we started a **Buddy Family Program** so that each new family is paired with a current St. Rose family to help answer any questions and make the transition to a new school as smooth as possible. This primarily involves simply introducing yourself and then making yourself available to answer questions as needed. It's a total bonus when you all become good friends. If you would like to help mentor a new family for the upcoming school year, **please email Amy Archer at amybell77@hotmail.com.**
