September 10, 2019

Dear Sponsor,

We would like to introduce you to St. Rose Catholic School of Roseville, one of the area's most established Catholic schools, now 58 years and counting. St. Rose School has an enrollment of 270 children in grades Transitional Kindergarten through Eighth Grade. These children represent 190 families, of the 3,000+ members of St. Rose of Lima Parish and drawing from the five parishes of west Roseville, Lincoln, Rocklin & Loomis, Granite Bay, and Orangevale.

We want to continue to provide the opportunity for high quality Catholic education in to these parish and city communities. We are excited to see the daily achievements of our students at every grade level. Our assessment results bear this out year after year as our students score well above their counterparts nationally, diocesan-wide, and in the local community. Additionally, we are proud of our commitment to serve so many in our community through the St. Vincent De Paul and the Roseville Christmas Baskets/Adopt-a-Family work we do together. We live virtuous lives at home, school, and at play.

It is due to the generous contributions of our local community and corporate sponsors that we are able to offer families in the Roseville area the high quality Catholic education St. Rose School provides. While we make every attempt to keep tuition costs down, these costs can still pose a serious challenge to many of our families. Over the last 10 years, more than 250 families have received the benefit of tuition assistance totaling \$240,000.00. This could not have been possible without the dedication of friends in our community like you.

In addition to working with all parents of the school, building community and promoting good will and cooperation, the St. Rose School Parent Club works to raise the much needed funding additions for the school. These funds will allow us we to provide much needed security additions to our school including a buzz-in lock system and internal & perimeter cameras. Additionally, our students will continue to utilize a variety of tools for learning. These include our cutting edge technology, academic programs, and instructional materials.

The Parent Club hosts three major fundraising events throughout the school year to which you are very welcome to attend: The Great Gathering, October 18, 2019, Harvest Festival October 19, 2019; Annual Crab Feed, February 8, 2020; Jog-a-Thon, Spring of 2020.

We are looking for annual sponsors and underwriters for these events. Annual sponsors will receive acknowledgement in all possible media and print publications, signage at each of the events and many other valuable benefits.

Please take a brief moment to review our sponsorship levels and benefit options when considering what generous level you can support.

Our parishioners, parents, and alumni consciously support local businesses who contribute to St. Rose School!

Your family, business, or corporate sponsorship will be acknowledged at *ALL* three major events throughout the school year.

Please take a moment to complete the sponsorship form and return it to us at your earliest convenience. All donations are tax deductible as Saint Rose School is a 501(c)(3) establishment.

Thank you in advance for your consideration,

Cheryl Seymour

Parent Club President

Suzanne Smoley

Principal
