

Our Lady of the Assumption has been a great blessing in our lives. When we decided to move to Sacramento my husband and I agreed that we would continue catholic education for our children.

After several months that our children have attended OLA, I am very pleased to say that the decision to send our children to this school has been the best decision we have made.

The faculty at OLA is very dedicated and care about the students. They are always responsive when I have any questions or concerns about the school work or general school information. The students are the most welcoming, friendly and accepting children I have ever come across. OLA is not only amazing in what they do for their students but also unbelievable in what they do for their families. There is a great sense of family within the school. I have witnessed that the families, staff, faculty, and students come together to help one another out in a time of need. I can't fully express my admiration for the teachers, staff and students. They have all exceeded my expectations and I thank God every day for bringing us to such a wonderful school and parish.
