

OLA's Lunch Program – 2017-2018

Overview

- Paper Menus are sent home the 3rd week of the month, allowing at least 4 school days for you to send them in. Menus are distributed to the children in their classrooms.
- If you have Microsoft Excel, you can use the Excel order form that is emailed home monthly. It handles the math automatically.
- Circle either the single or double, entrée price for each day that your child wishes to eat. **Please check your order forms carefully, double check your math.** Many menus come back incorrectly filled out, which then requires me to call you to check for mistakes.
- The cost for a single lunch is \$3.75; a double entrée is \$4.75.
- **Late menus are a huge inconvenience for everyone. Please return your menu before the first of the month.** If your menu is late we cannot guarantee that your child will get a lunch on the day the menu is turned in. Your child will not be on their teachers list until the following day.
- **Emergency lunches are \$5.00. They need to be ordered in the morning.** Please have your child stop by the office to pre-order.
- **If your child is absent a credit will only be given if the kitchen is called by 9am.** Otherwise, you are welcome to come by and pick up their lunch or transfer it to a sibling. Please don't email any changes. Call the office and transfer to the kitchen. Credits are only given when the kitchen is called by 9:30 in the morning.
- A salad bar is offered daily stocked with a multitude of items as well as fresh fruit. Organic items are often available i.e. spinach and carrots.
- Snack bar is available during morning recess. Items range from .50 to 1.50

To further expand our menu choices we have added additional options for daily purchase.
