

Each staff member has a voice mail box. Please refrain from contacting staff members at their homes regarding school issues. Teachers check voice mail messages daily and return calls usually during school hours. Thank you for respecting their privacy and complying with this request. The voice mailboxes are listed below for your convenience.

Direct-Dial numbers for teacher's mailboxes do not ring in the classroom, however the message light on the classroom phone will indicate a voicemail has been left for the teacher. Direct-Dial telephone numbers: (805) 548-0 plus your extension number. Ex. (805) 548-0240 reaches directly to EXT. 240.
