

Talent Show Permission Slip

Parents,

We will be having the annual Talent Show on May 10th at 1:15 to 2:45. In order to help make the day and preparations go smoothly, we are asking students to get permission from their parents to participate in the talent they have chosen. Below you will find general information about expectations and a sign up permission form. **Please return this form to Ms. Visbal no later than Wednesday April 30th.**

Student Groups: Students may sign up as an individual or in groups of up to 6 people (if this creates drama or hurt feelings please Ms.Visbal to see if we can make an exception). Students may sign up with people from other grades or from their own grade.

Timing: The maximum time for each performance is 3 minutes. Please make sure to plan accordingly. The act will be given a 30 second warning and will be cut off at the 3-minute mark. This is necessary in order to keep the total show down to a manageable time.

Music: If you have music you would like played during the performance, please make sure it gets to Ms. V on a CD or flash drive
