

Dear Fellow St. Rose Parents,

On behalf of the St. Rose School Advisory Committee (SAC), I welcome you to the start of a new school year. It is with great enthusiasm that I write to you about the current state of St. Rose School.

The Committee is energized with our new Pastor, Fr. Rodolfo. He has communicated a real desire to participate in making St. Rose even better. His top priorities include, increasing student enrollment, enriching our teachers and improving the School's financial situation. His presence at the School will be a lot more visible than in the past. In addition, he is committed to getting the Parish more involved in the School.

The new teachers to the School faculty, both in the grammar school and middle school, are outstanding. They will make our already excellent faculty even better.

SAC has also recently met with Ms. Kimberley Cheng, the Monterey Diocese Superintendent. She has been very supportive of the School and has been working with Sister Rebeca closely in marketing, finance, Curriculum and enrollment.

In short, the future of St. Rose has never been brighter. Past concerns have been addressed and we are eagerly moving forward in a strong and positive direction. We encourage you to become involved by volunteering for school activities. The parents are the heart and soul of our school. We will continue to provide the best education and family environment in the North County.

If you have any questions about the school, please don't hesitate to contact me.

We look forward to seeing you at the first State of School meeting on September 26th

Best Regards

Mark Kowall
