Middle School Handbook

Grading

St. Rose Catholic School follows the grading guidelines set by the Diocese of Monterey.

A: 96.5 - 100%
A-: 93.5 - 96.49%
B+: 89.5 - 93.49%
B: 85.5 - 89.49%
B-: 82.5 - 85.49%
C+: 78.5 - 82.49%
C: 73.5 - 78.49%
C-: 69.5 - 73.49%
D+: 67.5 - 69.49%
D: 64.5 - 67.49%
D-: 62.01 - 64.49%

Middle school grade books will be updated and made visible to families by 5:00 P.M. on the first school day of each week, with the exception of the first and last weeks of a quarter. Printed Progress Reports may be issued at parent's request. A "0" grade in the grade book will be marked with a grading code so that students and parents will be able to see specifically why the "0" was given.

Elective Classes

Middle school students will have the opportunity to choose between three elective classes: Spanish, art, or computers. A fourth elective, ASB Leadership, will be available by election. Priority for all electives, with the exception of ASB Leadership, will be given by grade level for choosing classes, with eighth graders having first choice and sixth graders having last choice. Electives are chosen for the year during the first week of school and will last for the entire school year UNLESS SPECIFIC REQUESTS ARE MADE BY PARENTS AND APPROVED BY THE PRINCIPAL.

Electives will count toward students' overall Grade Point Averages.

Quarterly Honor Rolls

A middle school student who earns a 3.00 – 3.49 grade point average at the end of each quarter will be eligible for Honors; 3.50 – 3.74 is eligible for Second Honors; 3.75 – 4.00 is eligible for First Honors. All subjects are taken into consideration for honor roll.

Eighth Grade Graduation Awards

Upon graduation from Grade 8, students will receive Eighth Grade Academic Awards based upon mastery and excellence in each subject. Valedictorian (highest G.P.A.) and salutatorian (second highest G.P.A.) awards will be presented to the two students whose cumulative grade point average is highest over their three-year middle school span. All subjects are taken into account when determining grade point average for this award. Fidelity awards will be given out to students who have stayed at St. Rose from first grade through eighth grade, and Fidelity Family awards will be given to families who had all of their children graduate from St. Rose Catholic School. Additionally, eighth grade students will be able to apply for, or be nominated for, a variety of scholarship awards.

Student Promotion and Retention

St. Rose Catholic School endeavors to promote every child to the next grade; however, if a student is consistently underperforming and not receiving passing semester grades, they will not be promoted to the next level. Students may be held back and not promoted to the next grade level, or they may be promoted on the condition that they enroll and successfully complete a summer school program in the subject(s) in question. The core subjects that fall under this requirement are math, science, language arts, literature, religion, and social studies. In order to be promoted to the next grade, or to be issued their diploma in eighth grade, students will have to receive a passing grade and have documentation verifying this passing grade from the institution providing the summer school program. These policies are based upon California Education Codes 48070 – 48070.5 and 37252 – 37253.5 with regards to promotion and retention, and summer school and other supplemental instruction.

Late Work

Unexcused late work, while not advisable, will be accepted in St. Rose Middle School. Homework is due during the class period and not later in the day. Students may turn in homework one day late but with a maximum grade of 80% of earned credit. For example, if a student turns in homework one day late, and would have received a 10/10 had it been turned in on time, would then receive an 8/10. However, if they would have received a 7/10 had it been turned in on time, they would then receive a 5/10 if turned in that one day late. However, all middle school major projects must be turned in early, or on time, in order to receive credit. Credit will not be given for major projects that are turned in late. Teachers will explain which projects fall into this category.

Scholarship and High School Letter of Recommendation Procedures

All letters of recommendation requests need to be submitted in writing to a teacher no later than two weeks prior to their due date. Please include the following information in this request:

For which school, scholarship or organization is this letter of recommendation to be written?

Where can we find information regarding the school, scholarship or organization?

Why are you wishing to attend this school or receive a scholarship from this organization?

School activities you participate in, or have participated in, during your time here at St. Rose and for how many years.

Community Service Projects you are, or have been, involved in.

Other services you participate in for the Catholic Church and/or for St. Rose School.

Any outside activities, such as recreational/club sports, outside music, drama, choir, art/photography, etc. you are, or have been, involved in and for how many years.

This information is extremely helpful to the person writing the letter. Letters will be given back to students in sealed envelopes from the teachers who wrote the letters.

Plagiarism, Cheating, Forging

Plagiarism, cheating, copying of schoolwork and/or allowing others to copy one's work, and forging of signatures are not allowed at St. Rose Catholic School, and students will be disciplined at the discretion of the teacher and administration. Discipline Notices will be written for any of these infractions. Administration will review the issue, decide upon how the student will be disciplined, and contact the parents.

Parent – Teacher Conferences

Open-forum parent teacher conferences will take place in early November once families have received first quarter Report Cards. Parents will meet with teachers on a first come, first served basis in the Parish Hall. This format will allow parents to meet with as many of their child's teachers as possible. Additional conferences may be set up on an "as needed" basis throughout the school year.

Teacher Office Hours

All middle school teachers will have set and specific office hours after school one day a week. These office hours will last from 3:00 – 3:30. Additional office hours will be available during lunchtime or break one day a week and will be by appointment only. Students are asked to come to office hours prepared with any needed materials in order to most efficiently utilize their time.

Eligibility Requirements for St. Rose Extracurricular Activities: Sports & Dances

Students must maintain a cumulative 2.0 grade point average or higher

Students may not have an "F" in any class

Students are placed on academic probation if they receive grades that put them below a 2.0 grade point average for the previous grading period. Students who fit into this category will not be allowed to participate (play or practice) in any St. Rose School athletic event or attend any St. Rose School dances.

At the midpoint of the following quarter, the student's grades will be reviewed, and students will be able to resume activities if they have a 2.0 grade point average or higher and have no "F's".

If a student has an “F” in a class, the Athletic Director will be notified, and will inform the student that they will not be able to participate in athletics for the following five weeks. Additionally, the ASB Coordinator will be notified and inform the student that he or she may not participate in any dances that take place during that next five-week span. At the end of the five-week span, the student’s grade will be checked to see if he or she may resume extracurricular activities.

Field trips, band, and choir are considered curricular; therefore, the above guidelines DO NOT apply.

St. Rose Athletics

Students who meet minimum eligibility requirements may participate in the following sports:

Fall: Girls Volleyball

Winter: Boys Basketball, Girls Basketball

Spring: Boys Volleyball, Coed Track and Field

*Students may participate in only one St. Rose team sport per season.

School Dance Dress Code

Girls: dresses/skirts (spaghetti strap must have a cover up, the bodice top may not be “low-cut”, slits on dresses/skirts must be no higher than fingertip length.) Dress shoes (no sandals, tennis shoes and heels must be no higher than 1.5 inches). Nail polish/makeup must be tasteful.

Boys: Collar shirt, ties, dress slacks and shoes (no tennis shoes).

Detention Policy

Detention will be held on Thursdays from 3:00 to 4:00 p.m. in rooms 6-8. Detention is a time of reflection and an incentive to avoid further detentions. Students will sit quietly and respectfully for the hour-long period. Students will not be allowed to work on homework or talk with friends.

Students may earn detention for a variety of actions.

Immediate detentions are given for

1. Chewing gum, foul language and any inappropriate or disrespectful behavior
2. Disrespectful behavior (which may also incur a Discipline Notice)
3. Unapproved cell phone usage

Detentions requiring three warnings are:

- tardiness (to school or to class) -**\$15.00 fee will apply to first period tardies
- uniform not to code
- books or personal property left lying around in unauthorized locations\
- loitering in unsupervised areas

- not having “daily required materials” in class\
- wearing of cosmetics or marking, writing, or drawing on skin

The detention coordinator will email the parents no later than Monday of the week detention is to be served.

Should a student fail to appear for detention, he or she will be assigned detention the following Thursday as well as an additional detention to be served the subsequent Thursday. Failure to make more than two detentions will result in disciplinary action by the principal.

**There is a \$15.00 charge per detention for first period tardies, which is billed on the monthly statement. Tardies do not accumulate from quarter to quarter and they can only be excused in special circumstances or as allowed by the teacher or principal.

Student Body Council (ASB)

The purpose of the Saint Rose Catholic School Student Council is to promote positive citizenship, encourage high academic standards, foster school spirit, and teach leadership and democracy.

Each year in May students fifth through seventh grade are given the opportunity to run for office for the following year. Students in the fifth through seventh grades elect the Student Council Officers. Students who are elected will hold that position for one year.

In order to be eligible to run for Student Council, students must have passing grades in academic and elective courses (C or above), and conduct and effort grades must be satisfactory. Students must also not have been on academic or behavioral probation within the last two quarters. Once elected, the Student Council members will be placed in the Leadership elective course for the following year. This elective class will run daily, for the duration of the year.

Responsibilities differ depending on the position held. Holding any position in the Student Council is an honor and a privilege that should be taken seriously. The Student Council members are expected to lead the student body in a fair, just and reverent manner and to be role models for their peers. For more information about specific positions, eligibility, or general questions please contact the ASB Coordinator.

Eighth Grade Free Dress

Eighth grade students will receive free dress on the third Friday of every month. Eighth graders must adhere to the St. Rose Catholic School Free Dress Policy listed in the 2017 - 2018 Parent Handbook and Calendar.

Estimated Overnight Field Trip Costs

Each middle school grade will take a class trip during the school year. Sixth graders will be attending the NatureBridge Golden Gate campus at the Marin Headlands; seventh grade students will attend the NatureBridge Yosemite Campus, and eighth grade students will go to San Francisco for multiple events. Costs vary from year to year; however, it is safe to say that tuition/school expenses for these trips will run approximately \$1,250 total for

your child's three- year middle school stay. (Typically proceeds from the seventh grade Crab Feed fundraiser will subtract around \$400.00 per student off of this total.)

Student Lockers

All students will be issued a locker and a lock during the first week of school. During the school day, books, necessary school supplies and personal possessions are expected to be kept in their lockers with the locks locked. Although St. Rose attempts to cultivate an environment of integrity and trust, students are asked not to bring large sums of money or valuables to school believing that they can put them in their locker. All students are responsible for their own belongings and are in charge of keeping track of them.

School lockers are the property of St. Rose Catholic School and are used by the students for educational purposes. All decorations and alterations inside of the locker must be in good taste and appropriate to the ethical code of St. Rose. Decorations and alterations to the outsides of the lockers are prohibited, as the lockers are a permanent part of the building that is used by the school, the parish, and the public.

Homework Club

Homework Club will be available to all students in grades 6 - 8 Monday – Thursday from 3:00 – 4:00 P.M.

Homework Club is not one on one tutoring; it is a quiet place for students to work on their homework under the supervision of a teacher.

Students must:

- Arrive by 3pm
- Follow all school rules; if these rules are violated, a detention warning or immediate detention will be given and student will be sent to extended care
- Be responsible for yourself and respectful to others
- Bring planner with daily homework assignments written down
- Have all needed materials (planner, paper, textbooks, binder, pen or pencil, calculator, and whatever else you might need)
- If all homework is completed, students may read a book, study, or go to extended care
- Snacks may be purchased \$0.50 an item up to two items per student
- Student's families will be billed at the rate of \$2.00 per hour or any portion thereof
- Upon completion of Homework Club, students will be required to check into Extended Care if no adult is at school to pick student up.

Cell Phones

While cell phones are allowed at St. Rose School, students who bring them must leave the phone on “off” during the school day. Use of the phone at any time during school hours (7:30 A.M. – 2:45 P.M.) for phone calls, text or video messages, photos/camera, or internet usage is prohibited. Phones may only be used out in front of the school after dismissal to contact parents or rides.

Violators of the cell phone policy will receive an automatic detention and will have to hand over their cell phones to the Principal. A parent must come to the school to pick up the phone.

If a student needs to make a phone call during school hours, they will be allowed to place a call from the school office.

Cell Phones on Middle School Field Trips

Middle school students will now have the privilege of carrying cell phones on school field trips under the following guidelines:

- Texting or contacting parents/guardians will be limited to “free time” for the students (not during meal, program, travel or instructional times).
- Parents/guardians will provide written consent for their children to have phones on field trips. Chaperones will have cell phone numbers of all students who have brought phones on field trip.
- On overnight field trips, phones will be powered off and turned in to chaperones or placed on “silent” at 10:00 PM or 30 minutes prior to designated “lights out” time. Phones will be charged by chaperones if supplied with USB cord only and returned to students after breakfast the following morning.
- Phone usage is strictly prohibited in any private areas.
- Phone usage will be limited to locations/events that allow the use of phones by student attendees. Usage will be based upon Chaperone and Field Instructors discretion.

Cell Phone Infractions/Disciplinary Consequences

The following disciplinary means may take place for failure to comply with guidelines:

- Phone usage that does not include photo or video taking, contacting of parents/guardians, usage during improper times or failure to turn in phone at designated time to chaperones will result in phone being taken away by chaperone for remainder of trip.
- Students with phones in their possession without written consent from parents/guardians will have phones taken away for remainder of the trip and students will also receive an immediate detention.
- Phone usage in private areas will result in phone being taken away for the remainder of the trip, a school Discipline Report being filed, and possible suspension.

**St. Rose Catholic School is not responsible for any incoming or outgoing content to or from cellular device.

School Planners and School Website

All students will receive a planner at the beginning of the school year. Students are encouraged to write their homework assignments in their planners on a daily basis. The writing of information on hands, arms, etc. is not permitted and may result in disciplinary action.

All students have access to the school website. On this website students will be able to view homework assignments, projects and test dates. Each teacher will maintain a website that will allow students to follow along.

Agreements for Use of Student iPads (1 : 1 usage)

St. Rose Catholic school is excited to roll out our initial phase of Apple iPads beginning during the first semester of the 2017 - 2018 school year. We are excited about the many positive, student directed, and inquiry based educational benefits this initiative will provide to your children. The following information will provide you with our parameters, expectations, and care and handling requirements for the new iPads.

Technology plays an important role in our lives today. With the world becoming more and more digitized, we feel that, in order to best prepare our students to meet these demands, we need to provide more access to technological devices used for education. After looking into a number of options, we felt that the Apple iPad offered the most flexibility to meet our K - 8th grade students needs. Factors that were taken into consideration include, but were not limited to: functionality, student and staff familiarity, battery life, available educational apps, ease of use, cost and design and size of device. The staff at St. Rose Catholic School feel that this iPad program will enhance your children's well rounded learning experience.

While we anticipate that the majority of students will take good care of the school issued iPads, it is necessary to reinforce the expectations set forth by St. Rose Catholic School. Understanding and abiding by the following guidelines is necessary for the program to be fiscally sustainable and educationally viable. We believe that this is an attainable goal that will be in the best interests of all stakeholders involved.

Basic Information

- The Apple iPad all students, in grades 6 - 8, receive is the property of St. Rose Catholic School. These iPads are made available to the students as a tool for learning.
- Like other school property annually issued to the students, the Apple iPad that is assigned to a student must be returned to the school during the final week of school, prior to graduation from 8th grade, or upon withdrawal from St. Rose Catholic School or transfer to another school.
- The iPad is meant for student usage only. The assigned iPad is not meant to be a family computer, gaming device, or used by other family members or siblings in any way that would compromise access by the student.
- The use of the iPad is a privilege that can be revoked or limited due to inappropriate usage or neglect of the device.

- iPads must be brought to school each day with a full battery charge. If students leave iPads at home, or if iPad loses charge at school, students are responsible for getting course work completed as if they had their iPad present and working in class.
- Students and families are not allowed to sync the iPad with any other device or attempt to jailbreak the device to alter any configurations that have been established by St. Rose Catholic School.
- All iPads will be preloaded with educational software. Our Meraki management system will handle and implement the installation and modifications of any additional applications or operating systems. Students and families are not allowed to install or modify apps or operating systems in any way.
- Each iPad will be individually barcoded in order for proper tracking of the device by St. Rose Catholic School. Additionally, St. Rose Catholic School will enable the “find my iPad” feature in settings. Students are required to keep this service “on”.
- Students may be asked to hand over their iPads for periodic inspection. iPad use and contents will also be monitored remotely by St. Rose Catholic School and/or our Meraki management system.

General Care and Handling Requirements

- Each iPad is labeled with a St. Rose Catholic School issued barcode. This sticker is not to be removed.
- iPads and cases may not be marked on, have stickers placed on them, other than the issued barcode, or be altered in any way.
- iPads must remain in the St. Rose Catholic School provided case at all times.
- While at school, iPads are to be secured in the student’s locker while not required in class. All school procedures for items left in inappropriate locations will be followed. In the case of a loss or theft of an iPad, families will be charged the full replacement cost of a new device.
- iPad ports are only for the use of appropriate items (headphones, USB cable, charger, etc.) being placed in them. The placing of foreign objects in these ports is prohibited. Additionally, nothing should be placed on top of device.
- iPads are not to be left in unsupervised (unsecured) areas which include, but are not limited to: school grounds, common areas, hallways, parish hall, bathrooms, library, unlocked classrooms, playground, benches, etc. Any iPad left in those areas is in danger of being stolen, moved, or damaged. If an iPad is found in an unsecured area, it will be taken to the office and appropriate disciplinary action may be taken.
- Food or drink is not to be present around device.
- Cleaning of iPad and screen is acceptable by using a dry clean soft cloth. Microfiber cloth is best, however any soft cotton or paper fabric will work. Do not use any liquid or spray cleaners on the iPad screen.
- Charging cables, headphone jacks, and USB cables are to be inserted and taken out carefully.
- Students and families will be charged for any damage resulting from abuse, mishandling, not following care and handling requirements, or loss of an iPad, charger, or case.
- St. Rose Catholic School will issue a loaner iPad if a student’s iPad has been sent in for repair. Students will be issued a new iPad if the iPad is deemed unfixable.
- If lost, and once the replacement cost has been paid to St. Rose Catholic School (Approx. \$350.00), the student will receive a replacement iPad. Parents may wish to carry their own personal insurance to protect

the iPad in cases of theft, loss, or accidental damage. Please consult your own personal insurance/company regarding personal coverage of device.

- Students will have the same iPad for the life of the iPad in middle school (8th grade iPads will roll over to next year's 6th grade class.)

School Internet Rules and Expectations

Students must:

- Respect and protect their own privacy and the privacy of others, use only their assigned St. Rose Catholic School accounts, keep passwords secret; and keep personal information offline.
- Respect and protect St. Rose Catholic School's electronic resources by observing all network security practices and conserve, protect, and share resources with other students and school internet users.
- Respect and protect the copyrighted/intellectual property of others, cite all sources appropriately, follow all copyright laws, and use iPads appropriately to assure academic integrity.
- Respect and practice the principles of community by communicating in ways that are kind, responsible, respectful, and lawful. Devices should only be used for school related activities and students are to report any threatening or offensive material to a teacher or administrator immediately. All use of the internet/St. Rose Catholic School network should be to further the student's education and enrich the student's educational resources.

E-mail Usage:

- The primary purpose of the St. Rose Catholic School student electronic mail system (Gmail) is for students to communicate with their teacher(s), school staff, outside resources related to school assignments, and fellow students to collaborate on school activities. Students are responsible for appropriate and respectful behavior while using school email, just as they are in a classroom or a school hallway; expectations and instruction for proper use will be demonstrated and communicated by your teachers. Access to e-mail is given to students who agree to act in a considerate and responsible manner; access is a privilege – not a right and will be suspended for improper use.
- Students are responsible for messages sent from their accounts. Students will not use email to bully, harass, or threaten other students or individuals and will report any unusual activities such as "spam" communications, obscene email, or any unauthorized communication to a teacher or school administration.
- Students will not use email to send chain letters, viruses, or hoaxes to other students or staff. All email accounts are filtered; messages containing inappropriate language or content will be flagged. Student email is provided by St. Rose Catholic School and is school property; the school reserves the right to archive, monitor and/or review all use of its email system, and users should not have any expectation of privacy in any electronic message created, sent, or received on the St. Rose Catholic School email system.
- Student email accounts will be removed from the system after graduation or upon exiting St. Rose Catholic School, disciplinary action will be taken due to violations of these rules; or, if necessary, St. Rose Catholic School, at its discretion, may close accounts at any time.

Cyber Bullying:

- Cyberbullying is bullying which is carried out through an online service such as email, chat room, discussion group, or instant messaging; or through mobile phone technologies such as short message services (SMS). It may also include inappropriate use or distribution of images, videos, or audios of another person. Any form of cyber bullying will not be tolerated under any circumstances. If a student accidentally

accesses inappropriate content, they should inform their teacher quietly. Students should not access chat-rooms or social networking sites that are not moderated or approved by St. Rose Catholic School and should never give out any personal details over the Internet.

No Expectation of Privacy:

- Students have no expectation of confidentiality or privacy with respect to usage of any St. Rose Catholic School technology, regardless of whether that use is for school-related or personal purposes, other than as specifically provided by law. The school may, without prior notice or consent, log, supervise, access, view, monitor, and record use of student technology at any time for any reasons related to the operation of St. Rose Catholic School. This may include, but is not limited to the monitoring of software that allows the school to view the screens and activity on student mobile devices.

Content Filter:

- St. Rose Catholic School utilizes an Internet content filter that is in compliance with the federally mandated Children's Internet Protection Act (CIPA). All mobile devices, regardless of physical location at school, will have all Internet activity filtered and monitored by the school.
- Parents, not St. Rose Catholic School, are responsible for supervising student internet usage while not at school. The filtering services that St. Rose Catholic School provides are only available while on campus. Parental control software can be installed upon parent request to limit access to the internet. If you would like more information about this software, please contact the school.

Appropriate Uses and Digital Citizenship:

- School-issued mobile devices should be used for educational purposes and students are to adhere to the St. Rose Catholic School Technology Use Agreement and all corresponding administrative procedures at all times. While working in a digital and collaborative environment, students should always conduct themselves as good citizens by adhering to the following:
 - **Respecting oneself:** Students will show respect for themselves through their actions. If necessary, they will select online names that are appropriate and will use caution with the information, images, and other media that is posted online. Students will carefully consider any personal information about their life, experiences, or relationships that they post. They will act with integrity which includes staying on task and not visiting non-related websites and/or games/videos/content. If students are observed using the device for non-related websites/games/videos/content, they will be given a detention warning and/or immediate detention as deemed appropriate by the classroom teacher.
 - **Protect Yourself:** Students will ensure that the information, images, and materials that they post online will not put themselves or others at risk. Students will not publish personal details, contact details, or a schedule or location of their or classmates activities. Students will report any attacks or inappropriate behavior directed at themselves while online and will protect passwords, accounts, and resources.
 - **Respect Others:** Students will show respect to others and will not use electronic mediums to antagonize, bully, harass, or stalk people. Students will show respect for other people in their choices of websites. They will not visit sites that are degrading to themselves or others that are racist, sexist, derogatory, or inappropriate and will not enter other people's private spaces or areas.
 - **Protect Others:** Students will protect others by reporting abuse and not forwarding inappropriate materials or communications and will avoid unacceptable materials and conversations.
 - **Respect Intellectual property:** students will request permission to use copyrighted or otherwise protected materials. They will suitably cite all use of websites, books, media, etc and will acknowledge all primary sources. Students will validate information while using and abiding by the fair use rules.

- **Extracurricular Activities:** Teacher/field trip leaders/coaches/club leaders for school related activities may accept or deny the usage of iPads on trips or at events.

Technology Support

- Periodic updates will be available for upgrade. Students may visit the App Store to “update” school installed software and Apps. Additionally, operating system updates will also be available.
- If students have problems with the iPad, stop using the device and ask for help from a St. Rose Catholic School employee. If they are not able to fix it, St. Rose Catholic School will have the school I.T. company look at it.
- All content pushed onto iPads will be remotely added through the Meraki Management system which will come preinstalled on the iPad.

Consequences of iPad Misuse

- School 3 warning detention policy will be followed for minor infractions
- School immediate detention policy will be followed for more blatant infractions
- Loss of iPad for period of time or more restricted controls
- Suspension
- Expulsion
