Parent Volunteer Service Hours Report Form

Thank you for volunteering your time in support of the programs and activities of Saint Rose Catholic School. Community ties at school are strengthened by parents working together to make St. Rose School the best that it can be for our students and families. Your volunteer service hours also defray some school operating costs helping keep the cost of tuition down.

RECORD OF VOLUNTEER SERVICE HOURS PERFORMED

Date of Service	Project/ Event	Person in Charge (Print name, not signature)	Your Role/ Responsibility	Number of Hours
TOTAL HOURS:				

Each school family is required to provide at least 20 parent service hours to the school by May 15th. It is the parents' responsibility to report their service hours on this form and to submit this form to the school office regularly so it can be recorded and filed. In the spirit of support often parents contribute for more than 20 service hours. We encourage parents to turn in all their service hours when they have volunteered over the 20 hours minimum. It is recommended that you keep copies of your submitted service hour form for your own records. A status report on your total service hours reported will be issued by the school in January and April each school year. All service hours must be reported by May 15. Non-participation in volunteer service hours will result in a \$500.00 fee charged to the family account in May. Each family will be assessed a \$25.00 per hour fee for each non-completed service hour. Hours to be earned after May 15th need to be submitted for approval no later than May 1st.
