

Internet Access – Schoolhouse at Home

15 March 2020

Dear parents,

I want to report that we all learned a great deal in the last 3 days! Faculty seamlessly switched from face-to-face learning to distance learning and parents and caregivers took on the task of managing their new schoolhouse at home. Thank you to all for pitching in and seeing the learning opportunities in this global crisis.

Distance Learning requires access to the Internet. Please note the very special offer that Comcast is offering families who lack Internet access. Maybe your home, the children's grandparents' home, or your caregiver's home needs Internet access.

Effective Monday, March 16, 2020, Comcast is offering 2 months free to new **Internet Essentials** customers in response to recent emergency measures associated with the Coronavirus (COVID-19).

We are all in this together!

We will be a stronger community following this!

With gratitude,
