OLMC Update: Day #12 School Closure

Dear Our Lady of Mount Carmel School families,

Attached please find our Phase #3 OLMC Distance Learning Guide (please use attached file with 3-30-2020 date). I trust that you will be delighted to see many enrichments added to the schedules ranging from our littlest students in PreSchool to our school leaders in 8th grade.

Phase 1: March 12-19

Let's do this!

24-hour notice that OLMC is becoming a distance learning school!

Phase 2: March 23-27

Let's simplify this!

Coordinating tech tools to make the student & parent experience more efficient so that faculty could make learning more effective, especially focusing on the core subjects of reading and math

Phase 3: March 30-April 3

Let's enrich this!

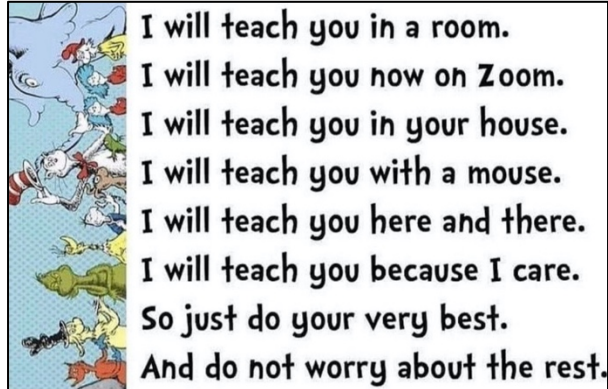

Now that the system is in place – needless to say, we will always be able to find improvements – we can enrich our core curriculum with Monday assembly, specials classes, and added distance learning fun like Mindfulness, Friday Dance Freeze, and more!

Please note: Monday morning assembly scheduled for tomorrow at 8am!

OLMC faculty going the extra mile... because they care...

Helping to our First Responders

Please contribute if you can! We have all heard about the critical shortage of PPE: personal protective equipment that our hospitals are facing, and the crisis of this shortage will only grow more severe in the coming days. Please see the attached letter from Kate, Dave, Billy, Ellie, and Burt announcing the drive for N95 masks. We will have a collection bin on the Arcade. This is a perfect example of how the OLMC Community pulls together and is stronger because of our faith in the power of Jesus's unconditional love!

Attendance

Please submit daily attendance by 10am daily with the link below, which is the same for the entire school. If it's easier for you, please call Mrs. McLinden at 650-366-1051 to record your child's attendance.
