Committee Members Needed

We are in need of volunteers for the following committees that will help guide new and exciting programs that we would like to offer to students in the fall of the 2019/2020 school year:

Spanish Language— We have opportunity to receive reduced pricing and offer a Rosetta Stone Online Language Program for students in grades I-8.

Music—We received designated funds from our recent auction to offer a music program that will be available to all students.

We will also be forming a Dress Code committee who can help to evaluate our existing dress code. If you are interested in participating in any of these important committees, please contact Ms. Fetcher in the office this week.

ACT Aspire Testing

Teachers will begin testing students next week and will continue testing after the Easter Break. We will post schedules for each classroom later this week. Please help by making sure students get plenty of sleep, are well fed and have no disruptions in attendance during testing times. The ACT Aspire are a system of assessments directly connected to the most used college entrance exam, the ACT test. It is a longitudinal assessment to fully connect student performance with readiness benchmarks and accurately predicts students' future scores on the ACT. It also gives our teachers greater visibility into specific areas of academic risk.

Prayers Needed

Please continue to pray for Mrs. Wilson and her family as they mourn the loss of their daughter Christianna.
