Holiday Crafts & Gifts Boutique

Thank you to all who supported the Holiday Crafts & Gifts Boutique, we could not have done it without the bread bakers, those who set up, those who worked at the event those who helped to clean things up and everything in between including students serving food too. Thank you to those who came and shopped! We had great support from alumni students and families including Casey Van Note playing the piano, Lili Tafoya Kidwell and Yvette Roy who coordinated the 'DeVine Preshow' and Alumnae Diana Torricelli and Marianne Mendez who were the overall chairs of this festive Christmas Holiday event. Also, a special thank you goes out to the Young Ladies Institute (YLI) and the Knights of Columbus who helped out with their generous support of time and talents. Please thank the following local businesses who supported the event, by supporting their businesses; Cracchiolo's Market & Catering, Simas Family Vineyard, Bogle Vineyards, Fr. Paddy's Irish Public House, the Carousel's Cobblers, Zest West Bakery, and Rainbow Sales.

Parade Float

Mark your calendars for Saturday, Dec. 14th, HRS is signed up to enter a Float in the 55th Annual Woodland Holiday Parade. The theme is 'Holiday Magic' and a preliminary design for our float has been generated. Now we need volunteers. We expect to begin assembling the float starting the week of Dec. 2nd. Kari Cordero has graciously stepped

forward to lead the team, please sign up in the office if you can help. We will be reaching out for specific needs including students and parents who can participate in the parade itself.

Thanksgiving Week

Students and staff will be celebrating together with a Thanksgiving Faith Family Feast on Tuesday, Nov. 26. Two Faith Families will be in each classroom. There will be no school Nov. 27-29.

Orders can be made by contacting an 8th grader, coming into the office or placing your order online at www.ChristmasForest.com using HRSCH in the club code field at check out. All orders must be made by Nov. 21st and will be delivered to your door. Contact Mirna Acosta at mirnamirn@yahoo.com or 916.317.3188 for more details.

3/4— This week in religion, students created their grateful feathers for our class turkey which is hanging in the hall. Fourth graders finished their CA Native Tribe projects and presented them to the class. They did an amazing job finding and presenting their information. Third graders asked questions and were excited to see what they would be doing next year. During Project Lead The Way, Dr. Jennifer Bruns brought in a sheep brain to show all the different parts of the brain that they have been learning about. Students were intrigued and excited to actually put a visual to what

they know about. Mr. Bachmeier then went on to talk about the brain stem and all the nerves that branch out from it. Students are now able to put together how their brain works and sends signals out throughout their body.

Fleur de Lis Dinner & Auction Planning Meeting

Our next Auction planning meeting will be Nov. 18 at 6:00 pm and we need you! This is our largest fundraiser of the year and proceeds directly impact tuition costs. Without this event, at a minimum, tuition would increase by over \$1,000/year per student. Janet Ruggiero and Jeanne Locatelli have been Co-chairing the event for the past few years and they are both willing to help, mentor and support others, but are not able to chair this year. Neither one of them have students attending the school and have been serving in this capacity out of the good-

ness of their hearts—thank you ladies! We need parents to step up and help with this event especially in leadership capacities. All of the roles needed can be split into co-chair positions so as no one person has to take on a large burden. Please plan on attending this very important Nov. 18 planning meeting.
