No Mass, full day day of school

- Oct. 14

Online Coding Camp 2020 from 3-5 pm in the HR Community Center

7th and 8th Grade Students Expected to Return to the Classroom Tuesday, Oct. 13

According to Yolo County Health officials, "Schools can re-open to in person instruction on Tuesday, Oct 13, which is 14 days after our county was placed on the red tier on Sept 29 (count as day #1)." This opportunity is dependent on Yolo County staying in the red tier or better. For us, this means that 7th and 8th graders may join our TK-6th grade students on campus! It is recommended by the same health officials that we continue to follow all protocols that are in place with our waiver. We will continue to offer families a choice of in-person instruction or remote learning.

Health and Safety Protocols Outside of School

We ask that families continue with adhering to **social distancing, wearing masks, and washing regularly** while away from school to slow the spread of the Coronavirus. This is especially important if families travel out of the area and make contact with extended families and friends. We appreciate families screening students at home, please continue to do so. If your student does have symptoms, please keep them home and follow protocols outlined in our *Return to School Plan and Waiver Application*. Call us in the office if you have questions or need any support.

Morning Prayer/Assembly

As long as we have students learning away from campus, we will continue to meet for our Morning Prayer/Assembly

at 8:05 am via Zoom. The exception this coming week will be this Wednesday which is the Feast of Our Lady of the Rosary. M, T, TH and F of this week we will meet for morning assembly via Zoom:

Meeting ID: 710 5298 9751

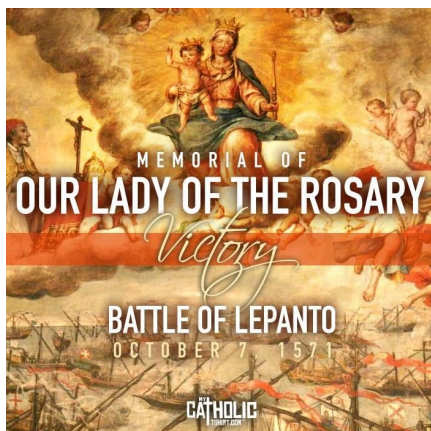

Passcode: 5P0S8k

Feast of Our Lady of the Rosary Mass in the Grotto Wed., Oct. 7th

The feast of Our Lady of the Rosary was instituted to honor Mary for the Christian victory over the Turks at Lepanto on October 7, 1571. Pope St. Pius V and all Christians had prayed the Rosary for victory. For us at Holy Rosary School, this would be considered our feast day and we realize that the Rosary is one of the best prayers to honor Mary, the Mother of God. This Mass is for students and staff only. We continue to pray that we will be able to meet as a larger community with families and parishioners soon! This Mass will be live-streamed on the HR Face-book page.

HR World Famous Tacos are Back

Due to popular demand there will be another sale of our World Famous Tacos on the weekend of October 17-18. Pre-orders only, please make sure you call the Parish Office at 530.662.2805, ext. 103 to place your order. Orders can also be done in person after Mass during the week.

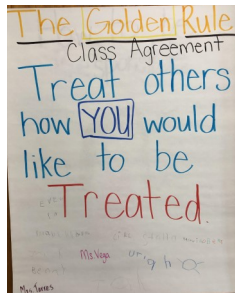

Activities in the Classroom

TK/K

We completed an art craft in which students created their own falling leaf wreath. In Social Studies, students learned about and discussed The Golden Rule

and as a class signed an agree-

ment to follow it. The Golden Rule: Treat others how you would like to be treated.

1st/2nd

In Social Studies, students identified American symbols and landmarks. First grade is writing their Spelling words 3x each every night for homework and second graders are writing their Spelling words 5x each. Conferences went very well, it was nice to have the opportunity to see parents and discuss your child's education. As a team we will help your child meet his/her goals for this school year. Thank you for being supportive of your child's education.

3rd/4th

Unit I Spelling Aces for third grade are: Melia Rubio, Andrea Torres, Kheann Yip, Nathalia Zatarain. Fourth grade: Frankie Anderson, Kendra Bugarin, and Victoria Rios. 90% and above: Eleanor Hoffman. Way to go Nathalia and Emma for earning 100% on their AR tests this week! Keep reading class! Thank you parents and students for taking the time to meet with me this week during our conference. I look forward to working in unison with you as we support your child in achieving their grade level goals.

5th/6th

Students began learning about how spore bearing, coniferous and flowering plants reproduce. In 6th grade math, students are finding solutions to equations and in 5th grade they are computing the difference (subtracting) of decimals involving tenths and hundredths.

7th/8th

Students began using Decision Point as part of their preparation for the Sacrament of Confirmation. Atoms, elements and molecules have been the focus in science. Eighth grade history has brought the Salem Witch Trials to life as they watched and discussed the movie. Pre-algebra students were determining the unit rates with ratios of fractions.

Holy Rosary Parish Celebrates 150 Years of Service in Woodland

A few Catholic services occurred in Yolo County as early as 1821, but it was in Oct. 1870, that Holy Rosary Parish dedicated its first church as Our Lady of the Holy Rosary. In 1874, construction of a new church building at the corner of Main and Walnut Streets was begun, and that church was dedicated on June 1, 1913 and was used until 1949. The current church building at 301 Walnut St. was dedicated on Oct. 2, 1949.

Holy Rosary Parish opened its first Catholic School in 1886 with a staff of nine Holy Cross Sisters. The school became known for its academic excellence, initially for girls and later for boys as well. The Holy Cross Sisters served until 1977. In 1980, the Sisters of the Religious of the Blessed Virgin Mary began their service at Holy Rosary Catholic School until 1986.

God willing, in May of 2021, Holy Rosary Parish will have a festive celebration in honor of our 150 years of service!

STEM Squad/ Google Coding Camp

12 students from 4th-8th grades will participate in STEM Squad/Google Coding Camp starting this Wednesday at 3:00 pm. This is an excellent opportunity for our 4th-8th graders to engage in a FREE online coding camp provided by the STEM SQUAD at UC Davis and Google.
