Faith Family Ornament Exchange

Thank you everyone for getting ornaments in before we left for Christmas break. Due to the health and safety circumstances at the time, we had to postpone the long standing tradition of exchanging these ornaments amongst Faith Families. We could have just passed them out prior to the break but we see the value in exchanging the gifts in person. We will social distance ourselves and exchange these gifts to one another this Friday, Jan. 8th prior to our afternoon dismissal.

The Holy Rosary School 'More Than Just a Crab Feed' will have scrumptious Crab Feed dinners, cakes, wine and beer. Raffle tickets are also be available for purchase. This is our 7th Annual Crab feed that has been enjoyed by all. We won't be able to come together in person, but you can still have a fabulous meal to take home.

The More Than Just a Crab Feed dinner is just that, a whole lot more than just crab. Catered by former family members Dee and Frank Pitto, each take-out meal will include: fresh Alaskan Dungeness crab*, barbeque tri-tip** and chicken**, pasta, salad, and sourdough rolls.

* Average of 4 lbs. (raw live weight) fresh Alaskan Dungeness Crab, per order.

** Minimum 8 oz. of combined tri-tip and chicken.

100% of the Proceeds from this event will be used to directly support our school facilities. We have many volunteers but we need to hire some experts in various fields to help keep things safe

and running smoothly for the next few years. Buy your tickets now at HRSCrabFeed.givesmart.com or text HRSCrabFeed to 76278 . **There is a possibility we will sell out!**

Feast of the Epiphany

The feast of manifestation, or Epiphany, is traditionally celebrated the 12th day after Christmas, January 6th. In the dioceses of the United States this feast has been moved to the Sunday between January 2 and January 8. In this Incarnation we realize the staggering fact that God has become a human child, seemingly helpless Child is, in fact, the omnipotent God, the King and Ruler of the universe. The feast of Christ's divinity completes the feast of His humanity. It fulfills all our Advent longing for the King "who is come with great power and majesty." We see that whereas Christmas is the family feast of Christianity, Epiphany is the great "world feast of the Catholic Church."

Students Absences and Returning to School

When students are not going to be attending school on any day, please contact the office at 530.662.3494 by 8:30 am. **When students return to school, they must have a note with the reason for absence and it needs to be signed by parents/guardians.** Copies of negative COVID test results (printed versions of screen captures are acceptable) or doctor diagnosis of alternative explanations are also needed. **We must be informed of all students who are exposed to COVID 19 positive persons (including family members), those who have been quarantined by health care officials, or have tested positive to COVID 19.** See the Decision Tree below for support in screening and determination of when a student should stay home.

Health and Safety Protocols

Thank you everyone for your honest responses to the Post-Christmas Break Questionnaire, it was very helpful as we planned out return to school.

Please continue adhering to social distancing, wearing masks, and washing regularly while away from school to slow the spread of the Coronavirus. We will continue to do the same here at school! Also, please continue to screen students at home, if your child does have symptoms, keep them home and follow protocols outlined in our *Return to School Plan and Waiver Application*. Call us in the office if you have questions or need any support. Please see our [Student Decision Symptom Tree](#) found on our COVID webpage.
