T. (707) 592-6100

Students arrive from different parts of the world in need of housing, mentoring, coaching and sharing a culture.

The school year program provides a caring host family for students attending the secondary (grades 6-12) at NHCS."

- Students will attend all classes daily including any escorted field trips.
- Students will practice language and experience American culture with their host family.
- Students and host families will receive orientation prior to the student living with the host family.
