

COMMEMORATIVE

ENGRAVED BRICKS

Sacred Heart School is very excited to share with you an opportunity to make your mark. We are selling engraved commemorative bricks. For a \$100 donation you will receive an engraved brick that will be placed at Sacred Heart School. Proceeds will go to the schools operational fund to help with day to day functions that help students and staff. Bricks are placed on the school campus near the Mary Statue in front of the school. What a special gift this would be for the holidays, First Communion, Graduation or even just as a thank you.

Don't miss out!!! Order Today! Thank you!
