1st Week of STAR Testing

Parents, please help prepare your students for STAR testing Week from April 26 to May 14, 2021.

Dear SJS Families,
For those of you that were able to tune in last Friday night to the live auction, THANK YOU! It was a fun evening for me doing my best to entertain you and raise money for the school! A huge thank you goes out to my husband for manning the cameras behind the scenes! We both had so much fun interacting with the auction numbers as they came in.

I also want to give an enormous thank you to Angie Milam and her team for all of the time and effort put into making this year's dinner and auction such a success! There is so much work that goes on in the background of an event this size, and Mrs. Milam does it ALL with a smile!

I also want to mention that our 2nd graders received their First Holy Communion this past Saturday. They were perfect young ladies and gentlemen, and I was so very proud watching them receive the Eucharist for the first time. Thank you to Ms. Cash and Sr. Shanitha for their hard work in preparing the students for this sacrament.
