

Policy Confirming Restriction on the Provision of Funds or Other Thing of Value to Students, Parents or Guardians

POLICY STATEMENT

It is the policy of Pacific Coast Academy (“PCA”) that PCA shall not provide any funds or thing of value to any student or his or her parent or guardian that a school district could not legally provide to a similarly situated student, or his or her parent or guardian. PCA does not and shall not provide, for example, “sign up bonuses” to parents or guardians or other incentives unrelated to education.

Additionally, a student, parent or guardian shall not use his or her status as a student, parent or guardian with PCA in order to obtain funds or thing of value from PCA. For example, this policy prohibits an individual from utilizing his or her status as a parent or guardian to obtain a vendor contract with PCA for compensation. It also prohibits an individual from utilizing his or her status as a parent or guardian to refer or encourage any students enrolled in PCA, or their parents or guardians, to select that individual or his or her company or another provider of services, in connection with the student’s education at PCA, resulting in the individual’s receipt of funds or thing of value from PCA.
