The SPED space for lease, that was discussed and approved in the board meeting in November, is now ready for occupancy. Most likely it will be utilized after the winter break.

The Family Liaisons are working on the following: setting up and leading monthly parent workshops, attending LP meetings to assist in translation, working on the Beehively site for HSTs and continuing to work on auditing the PCA Facebook page. Some current parent concerns are that students are getting board with virtual activities and they are concerned with there being no roll over funds for next year and wanting to know the allotted planning amount for next year.

Deficit has improved and is anticipated to move into the positive for the 2nd Interims. Overall, still really good and within compliance. Attendance isn't going to change much. AN amount of \$136,000 was added for federal revenue and increase for COVID relief. Regarding expenses there was a slight adjustments that played into the bottom line. As long as the school continues to operate within budget the budget will continue to improve. Cash balance remains positive. Triumph is the only outstanding payment. We will carry the balance until there is a fruition. Tyler reviewed the the next three years and how the budget improves. Once roll-over funds are used PCA will go back to a "normal" trend. There is no increase in revenue but increase in expense.

### **IV. Other Business**

#### **A. Executive Director Evaluation Process and Procedures**

Kelly Durso, explained her thought regarding the Executive Director Evaluation process. She stated there were two things she wanted to accomplish during this session:

1. Form a subcommittee and their objective(s)
2. Vote to form a subcommittee (2 members) and nominate a committee chair

Kelly Durso and Jennifer Faber shared some highlights and advantages to using the Board on Track CEO Evaluation tool for the Executive Director Evaluation.

Kelly Durso recommended the Board use Board on Track and the Evaluation tools it provides.

Objectives for Subcommittee were outlined by the Board President as the following:

- Complete a timeline (decide when surveys go out, when Krystin's self-evaluations is due etc.)
- Determine who should be surveyed, what our authorizer would like to see etc.

JD Luckesen commented regarding those that should be surveyed. He feels that all staff that are direct reports to Krystin Demofonte on the org chart are those that he would want to complete a survey and report back regarding Krystin Demofonte's performance. He also suggested having not only a yearly evaluation but also a mid-term check-in/evaluation.

Amanda McArthur suggested that a survey be given to various stakeholders of PCA and gather data about a variety of objectives Krystin Demofonte is expected to meet at the Executive Director.

The Kelly Durso shared that articles and/or YouTube videos that the PCA Board finds helpful regarding the evaluation process can be emailed to Jenn Faber to be shared with the board members.

The board discussed a timeline for the evaluation. Kelly Durso shared that June is a big board meeting and is historically when the CEO evaluation has been finalized, the memo is delivered and the CEO package is determined. Kelly Durso noted that we need to ask legal if it needs to be delivered in a public board meeting. The Board agreed to begin the evaluation process in March and would need the framework from the subcommittee in February (at the board meeting). The framework would include meetings they want to have with the board (in closed session) as they move through the process. It was determined that the subcommittee will be responsible to start and complete the evaluation process.

Kelly Durso made a motion to nominate Amanda McArthur for the subcommittee. JD Luckesen seconded the motion.
