### **Important Information**

- This summary does not alter the at-will nature of the employment relationship and nothing in this summary shall limit the School's right to terminate employment at-will or limit the School's right to transfer, demote, suspend, administer discipline, and change the terms and conditions of employment at its sole discretion. This includes, without limitation, the School's right to modify the compensation of any employee at any time, with or without notice and with or without cause.
- The School Board adopts this compensation schedule for Pacific Coast Academy. Pay increases are not granted automatically each year; therefore, neither past nor future compensation can be calculated, assumed, or predicted on the basis of this schedule or any information contained herein. Compensation of any employee may also be adjusted at any time based on operational needs of the School.
- The Executive Director shall recommend compensation for all School staff, consistent with the budget approved by the School Board. An employee's regular compensation is paid on a semi-monthly basis in accordance with the School's payroll practices and policies.
- The School reserves the right to change, suspend, revoke, terminate, or supersede provisions of this compensation schedule at any time. To the extent any of provisions herein differ from the terms of an employee's employment agreement, the terms of the agreement shall prevail.

### **Compensation Philosophy**

A compensation philosophy is a statement that defines what an organization offers and chooses to reward via its compensation system. The School's compensation philosophy places emphasis on equity, transparency, excellence, and commitment. These five key values are the foundation for all School compensation structures and practices.

We offer...

- comprehensive compensation packages for all staff, including base salary and benefits. Certain employees may be eligible for bonuses and stipends, as set forth herein
- a dynamic culture and vibrant community of colleagues united by shared dedication to students, a commitment to innovation, and a strong growth mindset
- unique career pathways, growth and development opportunities, and leadership roles that encourage staff to challenge themselves
- equitable compensation, regardless of gender, race/ethnicity, national origin, sexual orientation, age, religion, disability or any other consideration made unlawful by federal, state, or local laws, ordinances, or regulations
- a transparent and clearly communicated compensation system, so that staff understand what factors may determine individual compensation and how and when potential changes to compensation will be affected

We recognize and reward...

- exceptional performance and contributions that enable excellent student outcomes
- commitment of staff who contribute to the long-term success of our students and our organization

For teachers...

Given the role they play in providing educational services, teachers are particularly critical to the success of our mission. As such, we offer teacher compensation to attract and retain talented educators, and we specially recognize and reward:

- exceptional teacher performance that leads to growth and excellence for students
- commitment of teachers who develop deep, high-quality educational experience (within or outside of the School) and assume critical leadership responsibilities

## **CERTIFICATED COMPENSATION**

### Certificated Definition:

For the purpose of this policy, certificated is defined as any position that requires a certificate and/or credential as defined by the California Teaching Commission (CTC).

### Teacher Definition:

For purposes of this schedule, a Teacher is defined as a person who has a valid credential or certificate that allows them to teach a specific subject matter or special education

### Salary Placement Guidelines:

Upon hire, each employee's salary placement will be calculated based on the YEAR an employee fits, and in accordance to the professional and teaching experience gathered in previous years in the institutions outlined in this manual and on other factors such as prior performance (which includes a rehired employee).

The starting salary of a new employee may exceed the salary of a current employee in the same position based on the new employee's years of experience.

### Creditable Years of Experience:

- The School has the option to grant one (1) YEAR for each one (1) year of approved creditable teaching or professional experience up to 5 (five) years with placement on year 5 (five).
- An additional year may be granted for teachers who have school-desired experience in what the school determines to be "hard-to-staff" positions.
- One year of creditable professional or teaching experience will be granted for full-time employment, which is employment for 100% of an institution's normal work schedule during the school year
- A partial year of creditable professional or teaching experience can be granted for up to a year of part-time employment, which is less than 100% of an institution's normal work schedule during the school year.
- Creditable professional or teaching experience may be earned in:
  - California and US public, charter, and private elementary and secondary schools
  - Accredited foreign public, charter, and private elementary and secondary schools
  - California, US, and foreign accredited universities and colleges
  - Non-public special education contract schools for special education teachers
  - Other regionally accredited educational institutions
- Creditable teaching experience is experience as a teacher in one of the institutions outlined above.
- A maximum of 2 years of substitute teaching experience in California and US public, charter, and private elementary or secondary schools may be accepted.
- Two years of teacher assistant experience in the above institutions will be equal to 1 YEAR in the salary schedule up to a maximum of 2 YEARS.
- Other relevant professional experience may be considered by the Executive Director or designee.

The Executive Director or his or her designee may adjust a rehired teacher's placement on the pay scale as appropriate based on the employee's accumulated experience following the teacher's separation from the School, which may result in a higher or lower placement on the scale than the teacher would have otherwise been placed had the teacher been continuously employed.

### Credential/Certification:

- Teachers holding a valid and active credential (i.e., preliminary, clear, lifetime) California teaching certificate at the time of hiring/rehiring will generally be compensated in accordance with the applicable teacher salary table (B Basis, C Basis or Special Education) for certificated teachers.
- The School may hire teachers with a bachelor's degree who do not hold a clear teaching credential. Staff holding an alternative certification (intern, emergency, or preliminary credential) are rated on the same salary teacher table as certificated teachers.
- A teacher is eligible to advance to the proper Pay Scale level once they meet the requirement for that specific Pay Scale Level and Group based on their creditable years of service and post bachelor's degree units, if applicable. Course work is creditable for row placement and advancement if it is a

course taken for credit at an accredited institution, reasonably related to the employee's assignment or future assignment, and posted as semester, quarter, or trimester units on an official transcript in the institution's graduate course number series.

- For any given school year, teachers must submit any successfully completed post-BA units no later than October 31 in order for the units to be applied to the teacher's salary in that school year. Any proof of successfully completed post-BA units submitted to the School after October 31 will not result in an adjustment to compensation until the following school year.
- Any increase in pay resulting from an advancement on the Pay Scale based on the successful completion of post-BA units will not take effect until after the School's receipt of sufficient documentation supporting the advancement. Pay increases for post-BA units will not be paid retroactively. For illustration purposes, if a teacher is awarded a degree on January 15 and provides proof of the degree on May 1, any advancement on the Pay Scale and increase in pay will be effective beginning the next school year. The teacher will not be paid at the higher rate of compensation retroactively (i.e., for the periods between January 15 and July 1).
- If a teacher is awarded a degree on August 15 and provides proof of the degree on October 15, any advancement on the Pay Scale and increase in pay will be effective beginning the first pay period following October 15. The teacher will not be paid at the higher rate of compensation during the periods between August 15 and October 15.

#### Advanced Degree/Certificate Stipends:

- Teachers who hold a Doctoral degree are entitled to additional compensation of \$3,000 stipend in addition to their current annual salary on the Salary Table.
- The stipend is not included in your annual salary and may be processed separately from regular earnings.
- National Board Certificate (NBC) holders are entitled to a \$3,000 stipend in addition to current annual salary on the Salary.
- Proof of National Board Certificate (NBC) and Doctoral Degrees must be submitted by October 31 in order for stipend to be paid for that year. Any submission after October 31 will result in stipend for the following year.
- The stipends will be paid as set forth in the Stipend Chart below.

#### Signing Bonus:

If the School decides to issue signing bonuses, the following requirements shall apply.

- Signing bonuses may be offered to teachers certified in an area of critical concern as defined by the School, to promote diversity, or to address specific concerns at the school.
- The Executive Director shall designate the individuals authorized to receive the signing bonus.
- The signing bonus must be approved by the Board.
- To qualify for a signing bonus, the teacher must:
  - be certified in the field they are hired to teach.
  - teach in that field of the bonus.

#### Supplemental Duty Stipends:

- Stipends are assigned and approved by the Executive Director or his/her designee at the beginning of the school year or semester or as otherwise noted in the chart below.
- Staff who perform the supplemental duties outlined in the table below are eligible to receive the corresponding stipends as indicated and only if assigned/awarded to the staff member by

the Executive Director or his/her designee. The number of stipends awarded under each category and/or the periods of service during the school year are at the sole discretion of the Executive Director or his/her designee.

- Supplemental duty stipends are authorized for the specific year assigned and are not renewed for the future years unless specifically authorized for those years. This means additional duties such as Student Support Coordinator, SPED Lead Teacher, etc. are assigned on a year-by-year basis and are not guaranteed responsibilities that carry over from year to year.
- Supplemental pay will cease when there is no need for the duty, the employee becomes ineligible or as otherwise determined in the sole discretion of the School.
- The School, in its sole discretion, may choose not to offer certain stipends.
- Stipend amounts and requirements will be reviewed periodically and may be modified from time to time at the sole discretion of the School.
- Supplemental duty stipends are prorated and will be paid as set forth in the below Stipend Chart once the Supplemental duty has started.
- Student stipends are paid bi-monthly based on the teacher roster from August 2 through June 6.
- The Executive Director has been delegated authority to change the stipend amounts and add or change stipends based on the need of the school throughout the year in line with the board adopted budget.

Medical Opt-Out Stipend:

- Employees may elect not to enroll in any of the medical plans offered by the Charter School. The employee must certify that they have medical coverage for themselves and eligible dependents elsewhere that is comparable to one of the plans offered by the Charter School. They will receive an employer contribution of \$250 per month.

- Teacher supplements will be set forth in a Supplement Performance Order. The Supplement Performance Order Request shall be completed and signed by the teacher and the Executive Director prior to performing the supplemental duties.
- Supplements will be paid in installments or one lump sum if less than \$1,001. However, this option will not be available where it would cause the employee to receive compensation prior to providing the service.

- To qualify for an extended duty supplement, the following criteria must be met as requested and assigned by the Executive Director:
  - 1. The Executive Director must first agree with the teacher on the terms

Part-time teachers are pre-approved for the hours according to the chart below. This allotted time should be sufficient to complete each part-time teacher’s duties. All time worked will be compensated at the part-time teacher’s hourly rate. Part-time teachers will work no more than the number of approved hours per week specified in the chart for the 5 floating days in July. If a part-time teacher anticipates exceeding the number of approved hours per week due to the attendance in the back to school training sessions, the teacher must obtain prior approval.

When a case load of 20 students is reached, employees may be rated in and placed on a salary table and given health care benefits contingent upon the teacher’s expected maintenance of a case load at the norm of 28 students for full-time teachers. Carrying a caseload of less than 28 students over a course of three (3) consecutive months may result in a return to part time status.

## **PAYROLL ADVANCE POLICY**

### **POLICY BRIEF AND PURPOSE**

Our payroll advance policy describes our terms for advancing pay to our employees as an emergency short-term loan.

### **SCOPE**

This policy applies to all employees, with the exception of the Executive Director and officers of Pacific Coast Academy. In addition, temporary employees with contracts that are less than one year will not be eligible for Payroll Advances.

### **POLICY ELEMENTS**

“Payroll advance” refers to employees receiving a portion of their pay before their next normal payday. This does not include any money paid to the employee for work-related expenses.

The School is not obliged to pay employees in advance and may choose to do so if employees have qualifying reasons.

### **CONDITIONS FOR REQUESTING A PAYROLL ADVANCE**

Employees can ask for a pay advance if they:

- *Have been employed with the school for three consecutive months.*
- *Have not taken any other company-sponsored loan.*
- *Do not have any current negative evaluations or disciplinary actions.*

These conditions apply to all eligible employees without discrimination against protected characteristics.

Employees should have a legitimate reason to ask for advance pay, usually an unexpected or unavoidable occurrence. Examples of such reasons, although not conclusive, are for:

- *Family or personal emergencies (e.g. being victims of a robbery or fire, having to pay funeral fees)*
- *Hospital bills not covered by medical insurance*
- *Car repairs not covered by insurance*
- *To save a family home*

Examples of non-qualifying reasons, include but are not limited to:

- Taking a planned vacation
- Entertainment expenses
- Gambling
- Fines

## **PAYROLL ADVANCE TERMS**

Subject to approval, the maximum advance pay may be up to \$5,000. If employees find themselves in need of more frequent or larger pay advances than they are allowed, they should discuss the situation with their Executive Director. The Executive Director may decide to make exceptions on a case-by-case basis.

We will deduct the amount of the advance pay from an employee's future paychecks. This may mean:

- Depending on the amount, deducting the full amount from their next paycheck.
- Repaying the amount in small installments out of a number of future paychecks.

The repayment terms must be in writing and signed by employees and will comply with applicable laws.

We will not charge any administrative fees or interest.

If an employee resigns or is terminated before they repay their payroll advance, HR, subject to approval by the Executive Director, is responsible for reaching a new agreement with the employee. Any relevant legal requirements (whether federal, state or local) must be followed.

## **PAYROLL ADVANCE AGREEMENTS**

Employees who want to request a payroll advance should request a Payroll Advance form from HR. They must:

- Indicate their reasons for filing the form.
- State the amount of money they want to receive in advance.

- Sign to accept this policy's terms.

This procedure must be followed:

1. Employees should submit the form to their Executive Director or their Supervisor, if the Executive Director is unavailable.
2. The Executive Director should first review the form. If they approve, they must sign the form and submit it to HR.
3. HR and the CFO or designee must also review the form and decide whether to grant the employee's request in consultation with the Executive Director. If they approve, HR must create an agreement form for the pay advance and repayment terms taking any applicable taxes into account. This agreement must be signed by HR, the CFO or designee and the employee and include relevant dates.
4. HR must forward the signed agreement to the accounting department. The accounting department will generally give employees their advance pay through check or bank transfer within a week, if possible, after receiving the form.

If the request is denied, the Executive Director must inform the employee.

The advance must be paid back within one year of the initial payment to the employee, subject to applicable law. If there is a problem with meeting the requirement then the employee must sign an agreement that moves them toward quickly meeting that requirement.

#### **NOTICE TO BOARD**

The Board must be informed by the Executive Director if an employee resigns prior to repaying their payroll advance.
