

# I've Got Questions: Who are We?

(Genesis 1:26-30)

**Opening Discussion:** How often do you think about your identity? If someone were to ask, "Who are you?" how would you respond?

**Big Idea:** We are created to be in \_\_\_\_\_ with God and to \_\_\_\_\_ Him in His \_\_\_\_\_.

1. We are \_\_\_\_\_ in God's \_\_\_\_\_.  
(Genesis 1: \_\_\_ - \_\_\_)

*For further discussion: Why is it significant that God made mankind in His image? Did He make anything else in His image? How does this affect how we see people of the human race? (See Matthew 22:37-39: How does a proper understanding the image of God in people, help us better live out the Great Commandment? Have you ever wrongly considered yourself better than others?)*

2. We are \_\_\_\_\_ to multiply.  
(Genesis 1: \_\_\_)

*For further discussion: How have you seen mankind live out the command to "be fruitful and multiply?" How have the consequences of this command been marred by sin? (See also Matthew 28: 19-20: How does the command to multiply biologically compare to Jesus' command to multiply spiritually? As a Christian are you living out the command to multiply?)*

3. We are given \_\_\_\_\_ over God's \_\_\_\_\_.  
(Genesis 1: \_\_\_ - \_\_\_)

*For further discussion: What do you think God had in mind when He gave mankind dominion over creation? How have you seen this command marred by sin? (See also Revelation 21:1-4: How does the current state of our world compare to what's to come? Why do you think God has to, essentially, start over? How will the New Creation be different? In light of this, how ought we to view the current Earth?)*

**Response:** How are you \_\_\_\_\_ out who God \_\_\_\_\_ you to be? Is it in \_\_\_\_\_ or in the \_\_\_\_\_ of the world?
