

## THIS SUNDAY @ 10:30 A.M.

One of the fastest growing churches in the world is the underground church in China. It may be illegal, but God's people are thriving. But did you know that many of those seeds were planted 150 years ago by a man named Hudson Taylor? This Sunday, you will hear his story of transformation that continues to transform China today.

There is a brand new ministry starting soon: North Hills Virtual Basketball Camp! We may not be able to have basketball games in the gym right now, but why let this stop us from continuing to reach children with the gospel through basketball? Starting on October 1, North Hills will be hosting an online virtual basketball camp on our YouTube channel. It will be for grades K-8. The camp is free and will last for 8 weeks. Registration is now open, so click [here](#) to register today.
