The kids will be learning about our Community Friends. Some important ones they will be learning about are Firefighters and Police Officers. When there is danger, Firefighters and Police Officers help keep people safe in our community and nation. Whenever we see a Police Officer or a Firefighter, we should thank them for their service and appreciate all they do. Since God is the one who has given us these Community Friends to look over us and keep us safe, we should thank God as well.

Physical

The kids this week will be making different crafts in the classroom. They will be doing free art such as spring time art. During this time, the children will be allowed to draw, color, or trace whatever they want.
