## Academic

### Letters

- reviewing letter Ss
- introducing letter Cc
- Ss and Cc blends

### Numbers

- reviewing concept number 8
- counting 1-30

### Writing

- letters Cc and Ss
- tracing and writing number 6

## Spiritual

### Bible stories:

- Naaman and the Servant
- Lions Cannot Hurt Daniel

### Bible verse:

Luke 11:28 "Blessed are they that hear the word of God and keep it"

## Social/Emotional

The kids will be learning all about their senses! They will be able to recognize the differences between seeing, hearing, touching, smelling, and tasting. While listening to a story, they will notice that they are using their listening ears, seeing with their eyes at the book, and not being distracted by touching other toys.

## Physical

The kids play different games using their senses. One of their favorite games is red light, green light. This is when their teacher will either say red or green light and the child will either have to stop or go. This helps them use their hearing.

## Things to Know

Operation Christmas Child is here! You have an opportunity to build a box for a child or young teen. Boxes will be available to pick up outside the Preschool Office the week of November 9-13. Collection week will be November 16-20. If you want more information or have any questions, contact our office or go to the North Hills [website](#).

## Spiritual

### Bible stories

- Naaman and the Servant Girl
- Lions Cannot Hurt Daniel

Bible Verse: Luke 11:28

"Blessed are they that hear the word of God and keep it"

## Social/Emotional

To know and understand that God made every part of us. God created us with the ability to see, hear, taste, smell, and touch. God gave us our senses so that we can learn about the world around us. He gave us our senses to help us find out about things. Our senses help us tell what the difference is between certain things. We use our senses from the moment we wake up until the moment we fall asleep!

## Physical

The kids love playing new games! Our teachers play games that incorporate the use of different senses. For example, a game they love to play is "I Spy" trying to figure out what object the teacher is describing in the classroom.
