## Spiritual

### Bible stories

- Review: David & Goliath, David is Kind
- Elijah at Mt. Carmel

Review Bible verse: Isaiah 43:5  
“Fear not; for I am with thee.”

## Social/Emotional

During Language Development, the kids will be learning terms such as nurse, neighbor, manners, magnets, and mice. While learning about manners, the kids will be able to learn about the different kinds of manners. This helps them recognize how they respond to their teacher and their peers such as: Thank you, Please, and I’m sorry during the appropriate times.

## Physical

The kids will be doing different crafts in the classroom. One of the activities is tracing and coloring a pumpkin. This activity helps the child with their fine motor skills by tracing the dotted line and coloring inside the lines.

## Social/Emotional

This week we will be learning about Nurses. We will be focusing on what their job does, how they are essential workers, and how they are very important during the COVID-19 pandemic today. During this time, the kids will be able to understand and recognize the role a nurse has in their environment. If their parents are nurses, they can appreciate them more by knowing what they do while at work.

## Physical

The kids love to freeze dance while in the classroom. This allows them to exercise their gross motor skills by dancing and jumping around while following the dance moves on the screen. They also really enjoy the songs!
