## Academic

The kids are starting to learn blends! This week they will be focusing on the letters Bb and Nn.

- ba (as in bat)
- bi (as in bin)
- bu (as in bug)
- ne (as in net)
- no (as in nod)

### Writing

- tracing and writing letter Bb and Nn
- tracing number "3"

### Numbers

- review of counting 1-20
- number concepts 1-7

## Spiritual

Bible stories:

- Samuel and David
- David and Goliath
- King David is Kind

Memory verse: Isaiah 43:5  
"Fear not; for I am with thee."

## Social/Emotional

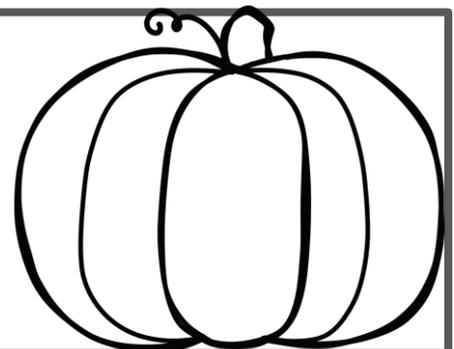

The kids are learning about different types of transportation. They are focusing on buses and boats this week! They are learning to distinguish the difference between the two and what belongs on land and what belongs in the water. This allows them to critically think when noticing them outside of class.

## Physical

They are loving using stencils during play time! The kids are using it to draw different shapes and animals. They are also using them while playing with playdough, being able to cut out different objects.

**PS: born 10/02/2016 - 01/2018**

## Academic

Our preschoolers are learning to write their name. They see how it looks on their name card and are given worksheets to trace it.

### Numbers

- reviewing number concepts of "3"
- counting 1-20

### Writing

- lowercase and uppercase Bb
- lowercase and uppercase Nn

## Spiritual

Bible stories:

- Samuel and David
- David and Goliath
- King David is Kind

Memory verse: Isaiah 43:5 "Fear not; for I am with thee."

## Social/Emotional

The kids are learning about birds and butterflies. They are able to learn the different parts of the animal and how they are able to fly compared to other kinds of animals. During this time, they are practicing to focus and listen while their teacher is telling the story. They are asked questions afterward to have them better understand the information that was just given.

## Physical

The kids are loving outside play! They are able to run around, ride bikes, swing on the swings, and play ball. Their current favorite is playing with the bouncing balls. They practice their hand eye coordination by trying to make the ball into the hoop.
