## Spiritual

The kids are reviewing two Bible stories: Isaac and the Promised Son and a bride for Isaac.

Memory verse: Psalm 18:30 As for God, His way is perfect.

## Social/Emotional

The kids have been adjusting well to their new friends. They have no problem getting along and playing with one another but social distanced of course!

They also continue to learn independence by completing certain tasks on their own. An example of this is getting their own lunch bags and opening them without any help.

## Physical

The kids have been cooped up inside during recess due to the bad air quality, so the teachers have been awesome at finding ways to get them up and moving.

Some of their favorites are doing freeze dances and making up their own moves.
