### Bible Verses

- introducing no new verses but will review all that they have learned so far.

## Social/Emotional

The kids will recognize what exactly our Thanksgiving holiday is all about. They will learn in their Bible stories about the First Thanksgiving. This will allow them to appreciate and be thankful for everything God has blessed them with. Even though they are kids and will always want more, this can help them be thankful for what they do have and remember that other kids throughout the world don't have the same blessings as them.

## Physical

The kids do different assignments that help them with their motor skills. They are doing different cutting activities where they have to try and stay on the line. They are also doing a lot of coloring by practicing to stay inside the lines.

## Social/Emotional

Our Preschoolers will learn that Thanksgiving Day is a wonderful tradition in our country. It's a national holiday and we always celebrate it during the fourth Thursday in November.

Each year at Thanksgiving, most Americans gather with friends and family to celebrate and thank God for His beautiful blessings. Some Americans forget that every good thing comes from God (James 1:17).

Let us remember to thank God everyday for His provision and care for us.

## Physical

These days, our preschoolers are caring more about playing. This allows them to use their imagination while playing with blocks or little figures. They are able to build a house, store, or any kind of building structure they think of. It's exciting to see what our kids come up with.
