- introducing counting to 90
- reviewing number concept 19

Writing

- tracing and writing letters Kk and Ll

Spiritual

Bible stories

- review: Jesus Loves the Little Children
- teach: Rich Young Ruler & Zacchaeus

Bible verse

- Jeremiah 33:3

Social/Emotional

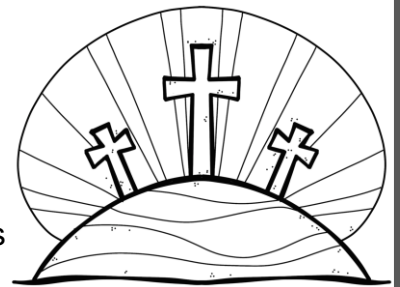

The kids will be learning all about the different kinds of animals in Australia. These include animals such as Koalas and Kangaroos. This helps the kids to open their minds and understand more about the animals God has created. Here in California, we don't typically see koalas or kangaroos unless we visit a zoo. By learning more about these different animals and where they come from, they have a better understanding of other parts of the world.

Physical

The kids will be completing a Kangaroo craft in the classroom! This will allow the kids to follow the directions their teacher has given. The kids will be able to decorate it themselves and further strengthen their motor skills.

Things to Know

- Easter Eggstravaganza Drive-Thru is this Sunday, March 28, from 2 - 4 PM. The event is free, so invite a friend and bring your family. All children will receive Easter eggs, candy, and can win a raffle prize!
- Preschool Easter Chapel will premiere on the [North Hills YouTube channel](#) on Wednesday, March 31, at 9:30 AM. Watch our preschoolers sing their songs and recite their Bible verse. You don't want to miss it!

Bible verses

- Ephesians 4:32 & Jeremiah 33:3

Social/Emotional

This week our teachers will be focusing on the beautiful country of Australia. The children will be learning why Australia is called “the land down under.” They will also be learning about what the children do there, the language they speak, and the special animals God has made.

During this time, the children will be listening to their teacher and paying attention to what is said. This allows the kids to understand more about the world around them and how many wonderful things God has created.

Physical

The children will be learning the fun song “Kookaburra.” During recess, the children will pretend they are an “Emu” and have a race to see who is the fastest. This allows the kids to get up, move around, and play together safely while remaining socially distant.
