Spiritual

In our Bible lessons, we are learning that God's Word will never change. It is the only book in the world that everyone should read. We're also learning that there is just one God, but the one God is in three parts. This is called the Trinity.

The Bible story we're learning is the creation story, found in Genesis 1.

Social/Emotional

Our students are adjusting well to new routines and being in their new classrooms. They are learning new ways to have fun with friends while keeping space between them.

Our teachers are doing an excellent job of nurturing the students and making them feel safe.

Their new classroom environments are becoming more familiar and giving them a sense of belonging and security away from home.

Physical

We are busy coloring! We are learning how to hold a crayon correctly and doing our best to color inside the lines.

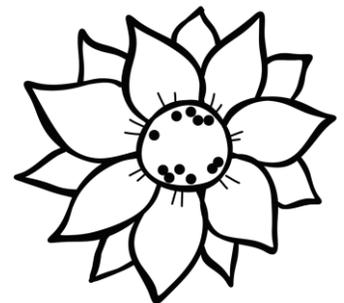

We are taking care of our own supplies and learning all about social distancing. It is important to keep our distance so that we can be safe.

Things to Know

Join us for Back to School Sunday at North Hills! It will be on August 22 at 10:30 AM. We hope to see you there!

Reminder:

We will be closed on Monday, September 6, for Labor Day.

PS 2/PS 3: 2.9 years old to 3's

Academic

Letters:

- introducing the name and sound of letter Aa

Writing:

- tracing and writing letter Aa

Numbers:

- introducing the concept of number 1
- counting numbers 1-5

The kids will also be reviewing their shapes and colors.

Spiritual

During their Bible story, the kids are learning about God's creation and what He created on each day. They are learning how God knows every detail of this world because He is the Creator of it all.

Memory Verse: Genesis 1:1

Social/Emotional

Our goals for the students this week are:

- to see improvement when adjusting to the classroom during drop off time with the parents.
- to create a safe environment for the kids at school.
- to have the children respond, respect, and obey the teachers.

Physical

The kids will make apple prints with apple halves and red, yellow, and green washable paint.

They will also be mimicking the movements of various African Animals such as the elephant's walk, a lion's roar, and a hippo's yawn.
