Social/Emotional

The kids will be learning about the terms *groceries* and *garden* and what they mean during circle time. During this time, they will learn that the various food items their parents buy at the grocery store are called groceries. This includes different vegetables, fruits, and snacks! They will also learn that some groceries are grown in a garden and students can have one in their own backyard!

Physical

The kids will be making a turkey craft in class. They will be tracing their hand onto a piece of paper and will be decorating it. This allows them to use their fine motor skills when keeping the pencil close to their fingers and learn that their hand can make a turkey!

Things to Know

Operation Christmas Child is here! You have the opportunity to build a box for a child or young teen. Boxes are available to pick up in the Preschool Office the week of November 8-10. Collection week will be November 15-19. If you want more information or have any questions, contact our office or go to the North Hills [website](#).

Social/Emotional

Our goals this week are:

- to give praise to each child for something he or she has accomplished during the week.
- to familiarize the children with farm animals and learn about the responsibility of taking care and raising them.
- to learn the importance of farmers to our community.

Physical

The children will act out the song "The Farmer in the Dell." During this time, they will follow the different dance moves and sing along.

They will also be playing a guessing game by making different farm animal sounds.
