## Social/Emotional

The kids will be learning about a couple different topics during circle time this week. This will include the topics of goats, grasshoppers, and garbage. They will be shown videos and then have discussion time afterward. Their teacher will ask the children different questions related to the topics and they will quietly raise their hand if they want to answer. This will help them practice to use their listening skills and patiently wait to be called on.

## Physical

As much as our kids love indoor playtime they love outdoor playtime just as much! They are always so creative trying to find new things to do during recess time. This includes different games like no-touch tag, riding the bikes, or playing with the balls.

## Things to Know

## Social/Emotional

The children will be learning about Native American people, who lived in America before any other people arrived. They shared their possessions and showed the settlers how to grow new kinds of foods. These settlers were also known as Pilgrims or English visitors. The Native Americans were very proud to have been such a help to the people who came to America long ago. There are still Native American families living in America today.

## Physical

The children will be making a Native American headband for them to decorate and wear around the classroom. They will also be singing "Jesus Loves the Little Children" to remind them that God loves them and all the children of the world.
