Bible verse:

- Matthew 8:27

Social/Emotional

The kids will be learning about how God created them. They will be learning about their different body parts and how they are uniquely made by God.

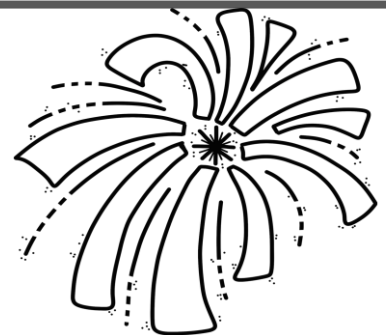

The kids will also learn how God purposely created them to look different from their friends. God knows everything about them because He made them! This helps the kids to love and accept themselves just as God loves them.

Physical

It has been raining the past couple of days and so our kids love to do puzzles while inside the classroom! This enables the kids to critically think about where each piece goes and lets them try to fit each piece in its specific spot.

Spiritual

Review Bible stories:

- Jesus Heals the Paralyzed Man
- Beside the Pool

Bible verse:

- 1 John 3:23

Social/Emotional

This week the teachers will be focusing on the beautiful country of Australia. The children will be learning why Australia is called “the land down under.” They will also be learning about what the children do, the language they speak, and what special animals God has made to live in Australia.

During this time, the children will be listening to their teacher and paying attention to what is said. This allows the kids to understand more about the world around them and God’s wonderful creation.

Physical

The children will be learning the fun song “Kookaburra.” During recess, the children will pretend they are an “Emu” and have a race to see who is the fastest. This enables the kids to get up, move, and play together while safely social distancing.
