

Academic

Letters:

- introducing letter Xx
- introducing letter Xx blends

Numbers:

- counting 1-60
- reviewing number concept 12
- introducing number concept 13

Writing:

- tracing and writing a mix of letters, blends, and words
- tracing and writing number 11

Spiritual

Bible stories:

- review: First Miracle & Woman at the Well
- introduce: Nobleman's Son & Fishing with Jesus

Bible verse:

- 1 John 4:8

Social/Emotional

The kids will be learning about insects and some of the different kinds God has created. One of the kinds of insects they will learn about are ants. Ants help our earth in many different ways, such as helping our soil and helping to control other kinds of insects.

By knowing more information about ants and the little creatures beneath our feet, this helps the kids to be more mindful and kinder to them when seeing them outside during playtime. This will teach the kids to be loving and caring, even to insects.

Physical

The kids will be using stencils in the classroom! As they are still learning how to perfect their own drawings, stencils give them a different twist to what they put onto their paper. This allows them to carefully trace out shapes and then color them in while trying to stay inside the lines.

Things to Know

Get ready for our Valentine's Day Chapel on Wednesday, February 9, at 9:30 AM in the Worship Center. Our kids will be reciting their Bible verses and singing songs about God's love. You don't want to miss it! Make sure you are checking out our Facebook and Instagram for more information and updates.

Week 23: January 31 – February 4, 2022

preschool.north-hills.org

PS 2/PS 3: 2.9 years old to 3's

Academic

Letters:

- reviewing the names and sounds of letters Mm and Nn

Numbers:

- introducing number concept 11

Writing:

- tracing and writing uppercase and lowercase letters Mm and Nn
- tracing and writing number 11

Spiritual

Bible stories:

- Jesus Walks on Water
- Blind Bartimaeus

Bible verses:

- Matthew 8:27
- 1 John 4:8

Social/Emotional

The children will be learning about how God made every part of our wonderful world and that He made something even more special; themselves! He knows all things about them because He is God. Since God knows everything about them, they can be sure that He will take good care of them.

By knowing this, the kids will recognize the love that God has for them and that He made them all uniquely special. They will understand that they're not supposed to look exactly like another friend or act like them. This will encourage the kids to express themselves in their own way.

Physical

Our teachers will be conducting a directional drawing lesson. The children will draw their own features as they follow the directions step-by-step. This enables the kids to understand the meaning of up, down, left, and right.
