## Social/Emotional

The kids will be wrapping up their academic review and transitioning into the themes of summer. During this, they will recap what they have learned throughout the year.

Our kids will be ending the year by learning how God made them just the way they are. They are perfect and are made in the image of God.

## Physical

The kids will be doing free art within the classroom. This will allow the kids to have complete control of what they want to create. They will be able to freely use any colors and create anything they want.

## Things to Know

What an amazing year it has been. Praise God! Thank you to all our families for coming to our End Of The Year Academic Program and watching the kids showcase what they have learned. Make sure to follow us on Facebook and Instagram to stay updated this summer!

Bible verse:

- Psalm 100

## Physical

During recess time, the kids will be playing a game outside. They will pick their favorite kind of zoo animal and mimic it's sounds and actions. They will be pretending they are a part of the zoo and will be doing the sounds and actions of the animal of their choice.

## Social/Emotional

We will be learning about the zoo and various sights and sounds within it. A zoo is a place where people can see different kinds of animals. The kids will learn how families go there to see animals from all over the world. The zoo gives people a place to go on vacation and gives them the opportunity to see God's wonderful creation of animals.

This helps the kids to understand there are many more animals than we realize and that God created each special animal. The kids can visit the zoo and learn so much more about them all.
