## Field Trip Policy

The Governing Board of Yosemite Valley Charter School recognizes that school-sponsored trips are an important component of a student's development. These types of trips supplement and enrich the homeschooling and classroom learning experience. In addition, field trips encourage new interests among students, make them more aware of community resources, and help them relate their school experiences to the outside world. School-sponsored field trips may be conducted in connection with the Yosemite Valley Charter School's course of study or school-related social, educational, cultural, athletic, school band activities or other extracurricular or cocurricular activities.

The purpose of the Yosemite Valley Charter School Governing Board approving this Field Trip Policy is to accomplish the following:

1. Define the Requirements for a Field Trip
2. Explain Supervision, Chaperone and Guest Policies
3. Identify Instructional Funds Available to Each Family for Field Trips
4. Identify Transportation Options and Insurance Requirements for Transportation

- 1. Overview:** No field trips may be made to locations, activities, or programs where students will be treated unfairly based on disability, gender, gender identity, gender expression, nationality, race or ethnicity, religion, sexual orientation, or any other characteristic that is contained in the definition of hate crimes set forth in Penal Code section 422.55, including immigration status, equal rights, and opportunities in the educational institutions of the state.

School-sponsored trips are those that are single-day, community based or those that are specifically approved by the Governing Board of Yosemite Valley Charter School (such as multi-day trips, or those costing the Yosemite Valley Charter School in excess of \$100 per pupil). The Executive Director of Yosemite Valley Charter School shall establish a process for approving a staff member's request to conduct a school-sponsored trip that fall outside the limitations of this section. When planning trips, staff shall consider student safety, objectives of instruction, the most effective use of instructional time, school and student expense, and transportation and supervision requirements. Executive Directors may exclude from the trip any student whose presence on the trip would pose a safety or disciplinary risk.

All field trips are voluntary, and no student is required to attend any given field trip. A student's ability to attend any field trip is limited by the amount of enrichment funds available for that student. The teacher of records is responsible for mapping out a child's field trip plan for the year to enhance the child's educational plan.

- 2. Field Trip Supervision:** Given the need for adequate supervision of the students attending school-sponsored trips and given the nature of the educational program offered by Yosemite Valley Charter School, if applicable, Yosemite Valley Charter School will pay for the costs of admission for one chaperone for each four (4) children in a family and enrolled in Yosemite

Valley Charter School. If applicable, Yosemite Valley Charter School will pay for the costs of admission for an additional chaperone for additional children in a family and enrolled in Yosemite Valley Charter School in excess of four (up to eight). Children in a family means children living, part- or full-time, with a parent/guardian, irrespective of adoptive status or marital status of the parents/guardians. The funds used to pay for the chaperone as allowed in this paragraph shall be instructional funds available to each family.

Families are limited to one school-sponsored overnight field trip per year with admission paid for one chaperone using enrichment funds. Yosemite Valley Charter School will not provide the cost of admission for any chaperones for vendor trips and independent enrichment trips.

It is the responsibility of parents/guardians to ensure proper supervision over their children enrolled in Yosemite Valley Charter School at all times during a school-sponsored trip. Chaperones may take their own non-enrolled children (two years and older) as guests on appropriate school-sponsored trips, provided they assume full responsibility for their behavior and, with approval of the Executive Director.

The organizing teacher shall use a field trip attendance form to track attendance, emergency contact information, and identify any authorized adults to pick-up students afterhours, if applicable. Organizing teachers shall always have an emergency contact phone number for the Executive Director. If a serious discipline incident occurs during a field trip, the organizing teacher shall notify the Executive Director immediately. No student shall be sent home or separated from the school group without prior approval of the organizing teacher.

3. **Accommodations:** If a family requires special accommodation due to a child's special education needs identified in the child's Individual Education Plan (IEP) or Section 504 plan, the family may request accommodation from the Executive Director.
4. **Student and Family Responsibilities:** All persons making the field trip or excursion shall be deemed to have waived all claims against the Yosemite Valley Charter School or the State of California for injury, accident, illness or death occurring during or by reason of the field trip or excursion. All adults, parents and guardians taking any field trip or excursion shall sign a statement waiving all claims.

All students on a school-sponsored trip are under the jurisdiction of Yosemite Valley Charter School and shall be subject to school disciplinary rules and regulations.

Before a student can participate in a school-sponsored trip, the organizing teacher shall obtain parent/guardian permission for the trip. Whenever a trip involves water activities, the parent/guardian shall provide specific permission for his/her child to participate in the water activities.

5. **Transportation:** When privately owned and operated vehicles are used to transport students to a school-sponsored trip, except as provided below, the owner of the vehicle must have liability for his/her passengers. The owner must provide proof of acceptable, current insurance coverage to include a minimum acceptable liability limit for privately owned vehicles. When transporting students, other than the driver's children, the owner of the car must provide proof of coverage of:
  - 1) Bodily injury at \$100,00 or more for one person and \$300,000 or more for more than one person
  - 2) Or combined single limit bodily injury at \$300,000 or more

- 3) Coverage for property damage at \$50,000 or more
- 4) Coverage for uninsured motorists
- 5) Medical payments coverage for passengers at \$5,000 or more.

When only transporting the driver's own children, the owner of the car must provide proof of insurance coverage at the minimum required by California law.
